

MOTION SHEET

Approve a resolution directing the City Manager to perform an analysis of the cost of producing housing in Austin and to identify potential options for reducing this cost.

I move to add the following to Item 62:

Be it Further Resolved

That prior to initiating the work or entering into contracts and no later than March 1, 2022, the City Manager shall return to City Council with the following:

1. A description of existing information, reports, and analysis that provide answers to questions raised in this Resolution.
2. An estimated cost for consultant contracts to provide any additional analysis called for in this Resolution.
3. An estimated number of staff hours and associated costs required to assist in this effort.
