Re: 807 Baylor St

Dear Commissioners,

This letter is in support of the Gopals' application to restore and renovate 807 Baylor Street. I have spoken to the owner and am pleased that adherence to Castle Hill Design Standards and preserving the historic nature of the home is a priority. The owners are also sensitive to the protection of heritage trees on the property.

I reside at 705 Baylor Street which is located a couple of houses away on Baylor Street. I am pleased that the home will be owner occupied and that the rehabilitation will add to the neighborhood's charm.

Sincerely,

/s/ Albert Percival
