Re: 807 Baylor St

Dear Commissioners:

I am writing this letter in support of the application by Sam Gopal to rehabilitate the property at 807 Baylor Street and allow construction of a two-story rear addition in place of the existing one-story structure.

I have owned the property on 1007 W 9th Street since 2007. I am the adjacent, neighboring property to the east of 807 Baylor Street. I am thrilled to see that this property will be owner occupied and that the proposed changes are respectful of the history of the house as well as the Castle Hill historic design standards.

I fully support this proposal and look forward to seeing this home receive much needed rehabilitation and restoration.

Best Regards,
