If at all possible, please let me know which date you prefer for the postponement. This will allow the applicant time to decide whether or not they disagree with the date chosen. If they disagree, it will likely be a discussion postponement. I will send information about signing up to speak regarding a discussion postponement, just in case.

Hi Glenn,

Sorry I haven't been able to get back to you today. Which date would you like to request—July 6 or July 20? There is also a June 15<sup>th</sup> meeting. I will check with the applicant and see if they agree with your postponement request. If they don't, you will need to attend the virtual meeting Tuesday to discuss the request. I'll coordinate that with you later.
