- a. BRIEFING: Affordability Unlocked Site Plan Amendment.** Update on potential changes to City Code Title 25 related to Affordability Unlocked and site plan requirements and process. City Staff: Brent Lloyd, Development Services Department (512) 974-2974, brent.lloyd@austintexas.gov (Discussion).

Brent Lloyd gave a briefing of proposed amendments related to the site plan process for projects using Affordability Unlocked provisions. Changes to the site plan process that were proposed as a part of the LDC revision were done in conjunction with other changes to the draft code; the current proposed amendment to the current code is more complicated because it's being done in isolation, without associated changes in other parts of the code (as was the case with the draft LDC).

Comments from attendees included concern that builders that apply for tax credits have limited time to begin construction, and right now the site plan review process takes too long. Also comments that the current site plan review process is too expensive, and discourages smaller, missing middle projects that can deliver infill on a smaller scale.

Mr. Lloyd indicated that work on the amendment would be ongoing, and hoped to have a concrete proposal by the end of the year.

No action taken.

5. OTHER BUSINESS

- a. Update on Potential Upcoming and Current Code Amendments** – City Staff: Greg Dutton, Planning and Zoning Department, 974-3509, Greg.Dutton@austintexas.gov; (Discussion and/or Possible Action).

No action taken.
