Whereas concessions serve as an important source of programming, offering park visitors the opportunity to experience various outdoor activities that support physical and mental health; and Whereas the eight concessions on Lady Bird Lake provided revenue to the general fund in the amount of \$745,475 in FY21; and

Whereas both programmed and passive park spaces serve the public in distinct but complementary ways; and

Whereas a waterfront park such as Town Lake Metropolitan Park serves diverse users who seek out a broad array of activities, including but not limited to hiking, biking, paddling, and boating; and

Whereas Lady Bird Lake is recognized and treasured for its natural beauty;

Therefore, be it resolved that the Parks and Recreation Board accepts the concession report presented on 11/30/21 and recommends that PARD continue the following activities relating to concessions on Lady Bird Lake:

- • Continue working with Austin Rowing Club pending construction of the Blue Line light rail to identify an alternate location for the concession and secure appropriate compensation for the concessionaire and/or City*
- • Continue working with the Corporate Purchasing office to facilitate and continuously improve a competitive bidding process that attracts multiple bids for each concession*
- • Continue to promote socioeconomic and racial equity through concessions and contracting policies*
- • Continue to cooperate with the Watershed Protection Department and Austin Fire Department to conduct preliminary research associated with regulations and code that may govern Lady Bird Lake's watercraft capacity*
- • Continue to pursue studies in cooperation with the Watershed Protection Department around watercraft impacts including but not limited to erosion, environmental impacts, water quality, and litter abatement*
- • Work with concessionaires to balance the need for accommodating both programmed and non-programmed uses when selecting new capital improvements at waterfront concessions*
- • Continue to examine opportunities to equitably locate rowing/paddling concessions all around Lady Bird Lake*
- • Continue to raise public awareness around water quality and safety issues stemming from cyanobacteria*
- • Continue to work with public safety agencies to promote safe behavior on the water*
- Continue to work expeditiously to bring the Zilker Cafe online as a concession*

- 9.** Presentation, discussion, and possible action regarding a recommendation to the City Council to approve the Pease Park Conservancy's Annual Programming Plan for Kingsbury Commons within Pease District Park.

Vice-Chair DePalma made a motion to approve; Chair Lewis seconded the motion. The motion passed on a vote of 8-0 vote with Board Members Kimberly Taylor and Nancy Barnard absent and one vacancy.
