Dear Ms. Allen,

I am emailing to protest the demolition permit application for Case No. GF 22-001028 607 E. 38th St. I live within 500 feet of this property. This is a historic house that offers an affordable rental option, which is becoming more and more rare in our neighborhood. The planned demolition and new building will compromise the character of the neighborhood and will undoubtedly further limit the affordable housing options in the area.

All best,
Patience Epps
