Wendy,

The questionnaire was altered and our question was never answered until I was able to prove that I did reach out to Alice. Could the screen shot be added to the back up.

M.

The questionnaire that we sent over was altered in regards to answering the question about the amount of units/condos, mixed, and how many (See question below). Affordable housing is very important to us, our area, and city.

M.

- What plans do you have for affordable housing in the development? We seek 50% & 60% MFI for affordable housing in relation to development zoning cases, to include mixed units etc. How many units - rentals & condos (For Sale)

Your response: 3. What plans do you have for affordable housing in the development? **10% at 80% MFI as required by Vertical Mixed-Use Zoning is all that is planned at this time.**
