Dear Planning Commission,

We, the SCCNPCT are requesting postponement for C14-2021-0166 – 6424 S. Congress Ave. We request that the appointed District-2 Planning Commissioner be present and in attendance during the discussion of this case at Planning Commission. Our understanding is that Solveij Praxis will not be present at Planning Commission on February 8, 2022.

Also, note C14-2021-0166 – 6424 S. Congress Ave will be the only case on the Planning Commission agenda for/within District-2. We ask for the Planning Commission to support submitted request and their colleague.

Thank you, for your consideration

Mario Cantu Chair SCCNPCT
