DEPARTMENT COMMENTS:

The applicant is requesting to amend a public restrictive covenant associated with zoning case C14-2016-0124 and executed on May 16, 2017 that states that, “For a cocktail lounge, restaurant (general), or restaurant (limited) use on the Property, the use of outdoor sound amplification equipment is prohibited.” for a 7.724 acre area surrounding the water quality pond on the site.

The staff recommends the applicant’s request to delete the conditions of this public restrictive covenant for a portion of Lot 13, Parmer Business Park and Lot 14B, Parmer Business Park Amendment Plat of Lots 5, 6, 8A, and 14A as the applicant is currently requesting a rezoning of the same 7.724 acre portion of this LI-PDA property through an associated rezoning case C14-2019-0166 to develop accompanying service facilities for the adjacent civic use/soccer fields.

The applicant agrees with the staff’s recommendation.

1000 E. 11th Street, Suite 200
Austin, Texas 78701Re: Restrictive Covenant Amendment Application C14-2016-0124(RCT) the
“Application”

Dear Ms. Truelove:

This letter is submitted to revise our initial request to terminate the restrictive covenant recorded under Document 2017080535 of the Official Public Records of Travis County, Texas (the “Restrictive Covenant”). The original request proposed to terminate the Restrictive Covenant in its entirety as it applies to 64.126 acres of land. We are now seeking to refine our request to amend the Restrictive Covenant as it applies to 7.724 acres of land which surrounds the water quality pond, also known as Parmer Pond, located on a portion of Lot 13, Parmer Business Park and Lot 14B, Parmer Business Park Amendment Plat of Lots 5, 6, 8A, and 14A (the “Property”). After further evaluation it has been determined that the Restrictive Covenant can be partially terminated and still accomplish the same goals set out under the original request. A copy of the field notes describing the Property are included with this updated Application.

Since the Application was originally filed a portion of the property was developed as the St. David’s Performance Center, home of the Austin FC training facility, and the Austin FC Youth Academy. In addition to these facilities, a project called “The Pitch” was also constructed on the Property. The Pitch combines food, play and social connectivity in one and two-story container pods. The concept is to provide a place where tenants of the Parmer Business Park, visitors of the soccer facilities, and the surrounding community can enjoy. By removing the Restrictive Covenant uses of the Property will have the ability to provide ambient background music. All requirements of the city sound ordinance will be adhered to.
