Texas Gas Service Energy Efficiency Program

Commercial Program Highlights

➤ CLEAResult

- Planned site visits for 2022 to learn how to better serve our commercial customers
- Updated program materials and commercial customer outreach efforts

DON'T LET YOUR MONEY GO DOWN THE DRAIN.

We are partnering with CLEAResult to bring energy- and water-saving upgrades to your business **at no cost to you!**

 Low-flow aerators reduce water use by approximately 50%	 Energy-efficient showerheads can save over \$100/year	 Installing steam traps can save up to \$600/year
 Pre-rinse spray valves can save up to \$200/year for each valve installed	 Weather-stripping can save over \$100/year per door	

These energy-saving, fuel waste-reducing devices are available to Texas Gas Service Commercial and Commercial Transport customers.

GET FREE UPGRADES FOR YOUR BUSINESS TODAY.

Texas Gas Service Energy Efficiency Program

Residential Program Highlights

➤ Behavioral education

- Initiated efforts to update all customer-facing forms to align with program changes and process improvements
- Introduced the “Welcome Home” postcards, with the goal of educating new customers on the Energy Efficiency program

➤ Water-Saving Kits

- Met 3000 kit distribution goal
- Researching kit modification options for cost savings and components enhancements

Soak up the Savings

Get a free water-saving kit while supplies last!

REQUEST MY FREE KIT

Start saving water and energy at home with free, easy-to-install stainless steel WaterSense bathroom faucet aerators, a kitchen swivel faucet aerator and a low-flow showerhead.

Getting your kit is as easy as 1, 2, 3.

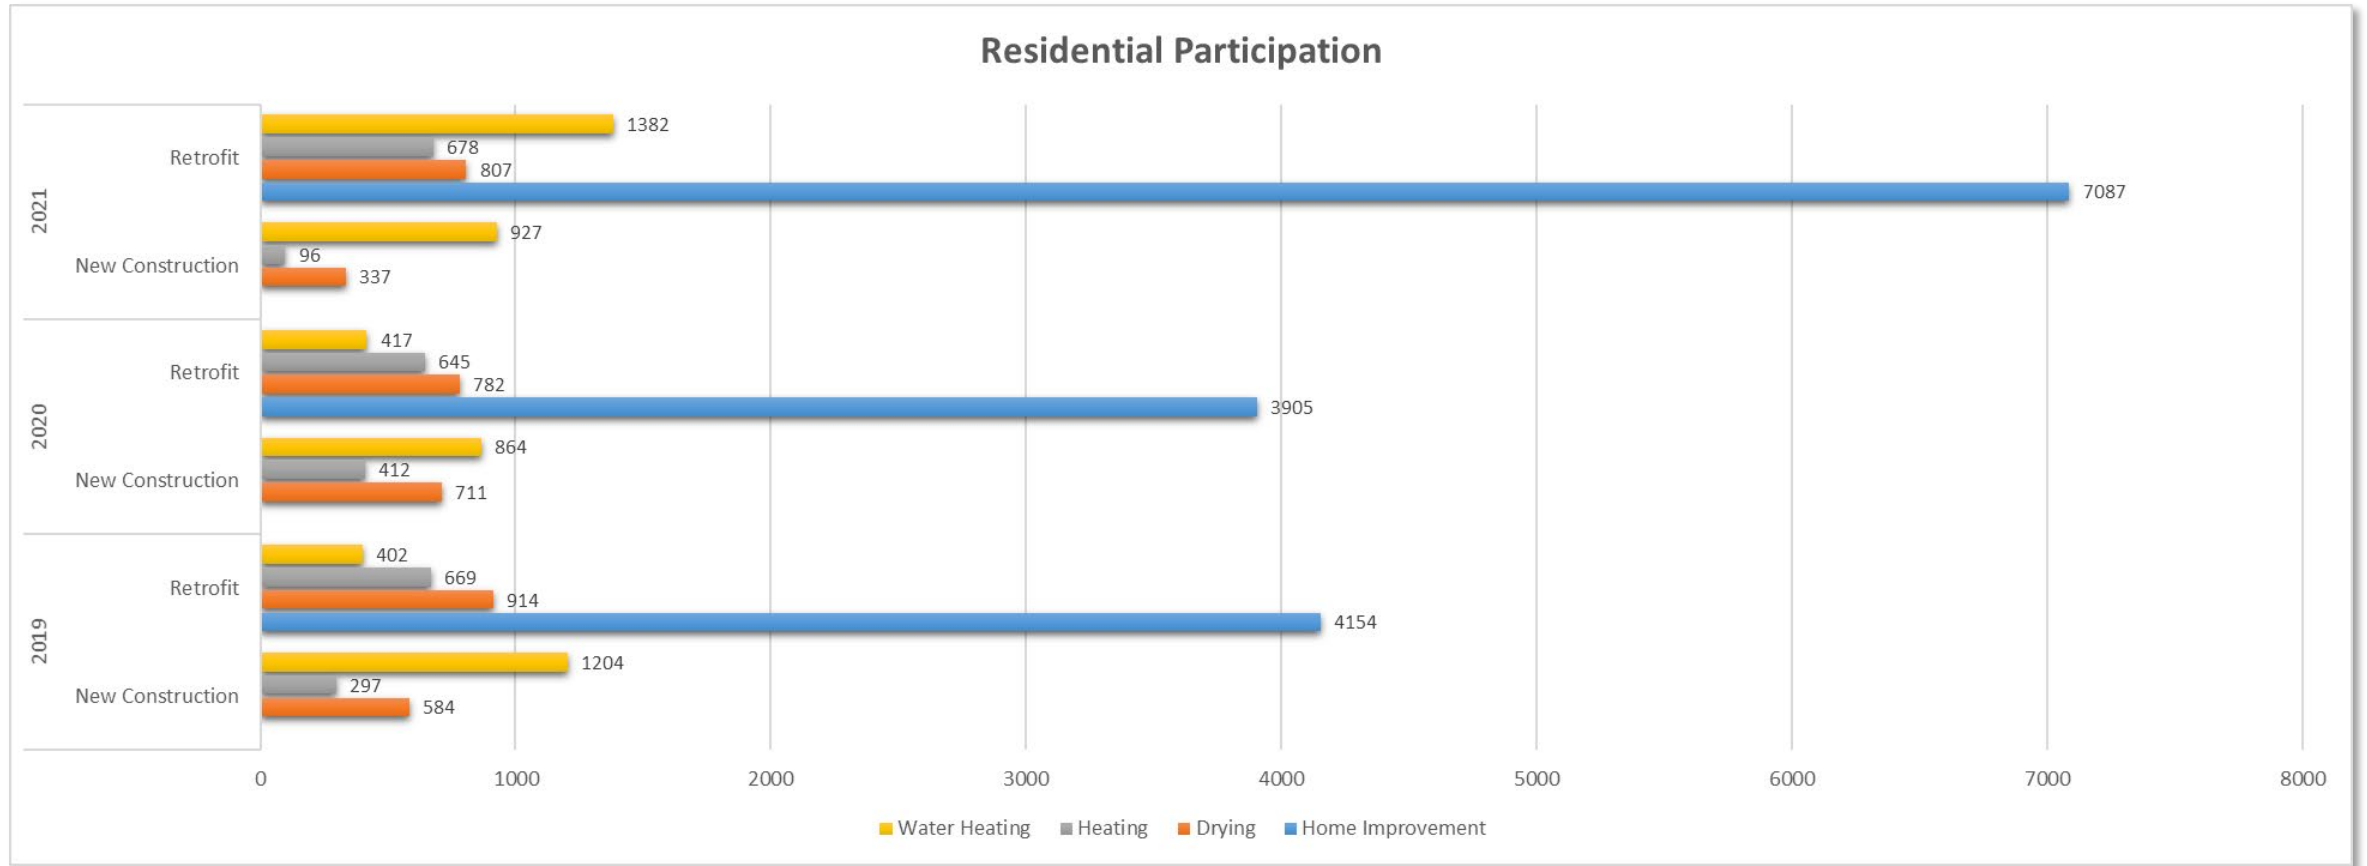

1. Visit [TexasGasService.com/WaterKit](https://www.texasgasservice.com/WaterKit) and complete the request form.*
2. Look for your free water-saving kit in the mail. You will receive an email when your kit is ready to be shipped.
3. Install the fixtures and start saving water, energy and money.

To keep the savings flowing, Texas Gas Service also offers [money back](#) when you purchase and install new qualifying energy-efficient natural gas appliances.

*This offer is limited to one kit per eligible residential customer account per calendar year. Supplies are limited and will be distributed on a first-come, first-served basis. Please see website for full eligibility details.
