Additional Backup Information:

This item proposes the voluntary full-purpose annexation of a City-owned 16-acre property adjacent to District 6 in northwest Austin. The subject property is near 9804 North FM 620 Road and is planned for a co-located Police and EMS/Fire station. The Fire/EMS station is among the high priority stations planned for development in the near term. The property is currently in the City's limited purpose jurisdiction. If the full purpose annexation is not approved, Council may need to approve a Service Extension Request in order for the property to receive services from Austin Water. The current use of the property is pastureland/agriculture.

State law requires a municipality to provide notice and conduct a public hearing to provide persons interested in annexation the opportunity to be heard. The City Council may adopt an ordinance annexing the area for full purposes, including a written plan for the provision of municipal services, at the conclusion of the public hearing.

Staff recommends City Council conduct the public hearing for this annexation case, C7a-2022-0001, and approve an ordinance as required by Texas law for this owner-initiated full-purpose annexation in Travis County.

Strategic Outcome(s):

Government that Works for All.
