Subject: Permit application # HR22-001198

This message is from Catherine Sims. [REDACTED]

I live at 803 Avondale Road, Austin, TX 78704. I recently received a notice of public hearing for case # HR 22-001198, Ryan Rodenberg, 804 Rutherford Place. The permit requested is for a demolition permit for the property. I support this permit being approved. I am in favor of Mr. Rodenberg's petition. I do not want to attend a public hearing because I am over 70 years old. Doing so is not advisable for my age group, or health status, due to Covid protocols. I do want to register my support, however.

Thank you,
Catherine Sims
