Austin Historic Landmark Commission,

I received a letter that there will be discussion regarding a property at 1505 Forest Trail which my own backyard is against on February 28, 2022. I have multiple concerns about the property being torn down. I have reviewed the historical significance of the property over the years. It adds a lot of significance to the Tarrytown neighborhood. It would be devastating for it to be destroyed for investment purposes.

I'm also requesting a copy of the case form that allows my neighbors and myself to object to the demolition and write our reasoning. There are many neighbors on Forest Trail absolutely opposed to the demolition.

Thank you for your time and your commitment to maintaining the city of Austin!

Sincerely,

Jennifer Burcin DDS
