301 W. 2nd Street
Austin, Texas, 78701

Subject: 4700 Weidemar Lane Rezoning Items # 52 & 53 on 3/3 City Council Agenda –
Relocation of Natural Gas Line:

A statement from Texas Gas Service about the relocation of a gas main near Weidemar Lane in south Austin.

- Texas Gas Service was recently advised of safety concerns related to the potential relocation of a gas main near Weidemar Lane in south Austin.
- Texas Gas Service utilizes state and federal approved procedures to safely maintain, construct and improve its natural gas distribution system.
- These procedures allow for the continued safe delivery of natural gas to our customers and the communities we serve.
- Any pipeline relocation project will be done following these established procedures.
