GENERAL SURVEYOR NOTES:

1. Firm Branch #10193731 is physically located at 7416 Canal Drive in Lake Worth, FL 33467.
2. The Legal description used to perform this survey was supplied by others. This survey does not determine or imply ownership.
3. Due to varying construction standards, house dimensions are approximate.
4. This survey is exclusively for the use of the parties to whom it is certified. It is not transferable to additional institutions or subsequent owners.
5. This property subject to any and all recorded and unrecorded easements. Surveyor has made no investigation or independent search for easements of record, encumbrances, restrictive covenants or ownership title evidence.
6. If there is a septic tank, well or drain field on this survey, the location of such items was shown to us by others and are not verified.
7. Any additions or deletions of this 2 page survey document are strictly prohibited. Use of this survey beyond the purpose of the transfer of title without written authorization of the signing surveyor is prohibited.
8. Any FEMA flood zone data contained on this survey is for informational purposes only. Research to obtain such data was performed at www.fema.gov.
9. Dimensions are in feet and decimals thereof.
10. All pins marked as set are 5/8" or 1/2" diameter, 18" iron rebar, with "EXACTA" cap.
11. This survey only shows improvements found above ground. Underground footings, utilities and encroachments are not located on this survey map.
12. The information contained on this survey has been performed exclusively, and is the sole responsibility, of Exacta Surveyors. Additional logos or references to third party firms are for informational purposes only.
13. Points of Interest (POI's) are selected above- ground improvements which may be in contact with boundary, building setbacks or easement lines, as defined by the parameters of this survey. There may be additional POI's which are not shown, not called-out as POI's, or which are otherwise unknown to the surveyor. These POI's may not represent all items of interest to the viewer.
14. Utilities shown on the subject property may or may not indicate the existence of recorded or unrecorded utility easements.
15. House measurements should not be used for new construction or planning. Measurements should be verified prior to such activity.
