

VISION

AUSTIN
FILM
SOCIETY

Austin Film Society

We envision a culture in which art and industry work together to feed innovation, creativity and economic opportunity; in order to build a more equitable, artistic and prosperous world.

City of Austin

Austin is a beacon of sustainability, social equity, and economic opportunity; where diversity and creativity are celebrated; where community needs and values are recognized; where leadership comes from its community members; and where the necessities of life are affordable and accessible to all.

ABOUT THE PROGRAM

It's no secret that the film industry is highly competitive and tends to offer opportunities for insiders. For those who are outside of this elite industry, this may feel like an unattainable dream. AFS Creative Careers helps new creators make their dreams a working reality in three ways.

- **Internship Pathway**
- **Job Placement Pathway**
- **Community Media Education Pathway**
