

MEMORANDUM

TO: Mayor and Council
FROM: Adrienne Sturup, Austin Public Health Director *Adrienne Sturup*
DATE: March 11th, 2022
SUBJECT: Staff Update to Resolution No. 20210930-108

This memorandum serves as an extension request for the response to Resolution 20210930-108. The resolution directed the City Manager to collaborate with Travis County on the creation of a joint Austin/Travis County Public Health Commission and to return to the council before March 30, 2022, with a formal recommendation on the creation and implementation of creating a joint Austin/Travis County Public Health Commission and return to council before March 30, 2022, with a formal recommendation on the creation and implementation. The extension will allow staff time to engage the newly appointed Travis County Health and Human Services Executive in the planning process and conduct key stakeholder interviews to help inform recommendations. Staff will provide a response by June 30, 2022. Should you have any questions, please don't hesitate to contact my office at 512-972-5010 or directly at Adrienne.sturup@austintexas.gov.
