Re: SCCNPCT - Supports any/all requests for postponement(s).

Re: **Related Item(s) B-13 (C20-2021-006)** Vertical Mixed Use Affordability Requirements.

Dear Planning Commission,

We, the SCCNPCT support any requests for postponement(s) for item B-13 (C20-2021-006) – Vertical Mixed Use Affordability Requirements. We support hearing more information about this request. Safety is a factor that has not been viewed with the VMU affordability requirements.

Thank you,

Mario Cantu Chair SCCNPCT
