Subject: Historic Landmark Commission items on agenda for March 28, 2022 meeting

I am writing to register my opposition to the following seven items on the agenda for the March 28, 2022 Historic Landmark Commission meeting.

I plan to attend the meeting in person. However, in the event I am not able to attend in person, then I wish to speak online at the meeting. My phone number is [REDACTED], and email address is [REDACTED]

C.1. 804 Rutherford Place – Travis Heights – Fairview Park National Register District – Demolish a contributing building and build new construction (postponed February 28, 2022).

C.2. 512 E. Monroe Street – Travis Heights – Fairview Park National Register District – Demolish a contributing building and build new construction (postponed February 28, 2022).

C.3. 1505 Alameda Drive – Travis Heights – Fairview Park National Register District – Demolish a contributing building and build new construction (postponed February 28, 2022).

C.4. 1803 Kenwood Avenue – Travis Heights – Fairview Park National Register District – Demolish a circa 1937 single-story residence and replace it with a new single-family residence.

C.5. 1315 & 1317 Newning Avenue - Travis Heights – Fairview Park National Register District – Demolish a contributing building and build new construction (postponed February 28, 2022) (applicant-requested postponement).

C.8. 406 E. Annie Street – Travis Heights – Fairview Park National Register District – Demolish a noncontributing house and build new construction.

Please note that the agenda for the March 28, 2022 also states the proposal is to “Demolish a contributing building and build new construction.” Given this conflicting information, I register my intent to speak against the proposal until I can hear the staff presentation at the meeting.

C.9. 1205 Alta Vista Avenue – Travis Heights – Fairview Park National Register District – Demolish a contributing building and build new construction.

Thank you,

Clifton Ladd
