

ENVIRONMENTAL COMMISSION MOTION 20220518-003b

Date: May 18, 2022

Subject: Proposed changes to the City Land Development Code Title 25 (§ 25-1, § 25-2, § 25-8)

Motion by: Jennifer Bristol

Seconded by: Kevin Ramberg

RATIONALE:

WHEREAS, the Environmental Commission has reviewed the proposed code amendments for the mobility projects in the right-of-way.

WHEREAS, the Environmental Commission recognizes the changes to the code where developed in collaboration with eight city departments.

WHEREAS, the Environmental Commission understands the purpose code changes.

WHEREAS, the Environmental Commission recognizes the City staff are requesting changes to City Land Development Code Title 25 (§ 25-1, § 25-2, § 25-8) to address challenges to the successful design and construction of public mobility projects in the right-of-way.

THEREFORE, Environmental Commission recommends the proposed changes to the City Land Development Code Title 25 (§ 25-1, § 25-2, § 25-8) to address challenges to the successful design and construction of public mobility projects in the right-of-way with the following Env. Commission conditions.

Environmental Commission Conditions:

1. Watershed Protection Department report annually to the Env. Commission on the following:
 - a. the public mobility projects that receive administrative variances from impervious cover limitations,
 - b. the public mobility projects (and their respective funds) that contributed to the public project structural control fund, and
 - c. the waters quality improvement projects designed or constructed with these funds.

VOTE: 8-3
