# Cultural Arts Funding Review Process Update

ECONOMIC DEVELOPMENT DEPARTMENT MAY 25, 2022

# Concerns of Inequitable Distribution\*

Problem: we are trying to address 50 years of inequitable distribution of funding through the Cultural Funding programs due to the historical policies, practices, and (in)accessibility of our programs.

<sup>\*</sup>Data shows leadership/staff demographics FY15-FY 21 only. We recognize this is only one indicator.

## Impetus to Revise the Guidelines

## Cultural Funding Review Goal

Removed the "\$100k or less average COA award over time" eligibility requirement
