### **Council Committee, Boards and Commission Action:**

May 11, 2022 - Recommended by the Water and Wastewater Commission on a 9-0 vote with Commissioner Musgrove absent and one vacancy.

### **Additional Backup Information:**

The contract is for two roll-off container filters to be utilized by Austin Water. The containers are 25 cubic-yard, hard top, steel roll-off containers with filters. These containers are an essential part of dewatering sludge, clarifying liquids, phase separation, material recovery, and for the removal of rags in our wastewater treatment plants. They are utilized 24 hours a day, seven days a week to maintain compliance of landfill disposal regulations. The purchase will replace existing containers at the end of their service life, having been welded

and repaired numerous times.

**Strategic Outcome(s):**

Health and Environment.
