

RESTRICTIVE COVENANT AMENDMENT REVIEW SHEET

CASE: C14-85-288.23(RCA) – 7715 ½ West State Highway 71 DISTRICT: 8

ADDRESS: 7715 ½ West State Highway 71

SITE AREA: 13.367 acres

EXISTING ZONING: LO-NP

PROPOSED ZONING: GO-NP

PROPERTY OWNER: 5606 South Rice LLC (Jason Hauck)

AGENT: Drenner Group, PC (Amanda Swor)

CASE MANAGER: Wendy Rhoades (512-974-7719, wendy.rhoades@austintexas.gov)

STAFF RECOMMENDATION:

Staff recommends amending the Restrictive Covenant as outlined in *Exhibit D: Restrictive Covenant Amendment Redlines*. For a summary of the basis of staff's recommendation, see page 2.

ENVIRONMENTAL COMMISSION ACTION / RECOMMENDATION:

April 6, 2022: ***APPROVED AN AMENDMENT TO THE RESTRICTIVE COVENANT AS STAFF RECOMMENDED, WITH AN ADDITIONAL CONDITION TO LIMIT ACCESS TO LITTLE DEER CROSSING TO EMERGENCY VEHICLES ONLY, AS SHOWN IN ATTACHED MOTION NO. 20220406 003a***

[J. BRISTOL; P. BEDFORD – 2ND] (9-1) COMMISSONER THOMPSON VOTED NAY; ONE VACANCY ON THE COMMISSION

March 2, 2022: ***APPROVED A POSTPONEMENT REQUEST BY THE APPLICANT TO A FUTURE ENVIRONMENTAL COMMISSION DATE***

[K. RAMBERG; J. BRISTOL – 2ND] (8-0) R. SCOTT – ABSENT; TWO VACANCIES ON THE COMMISSION

February 16, 2022: ***APPROVED A JOINT POSTPONEMENT REQUEST BY THE APPLICANT AND NEIGHBORHOOD TO MARCH 2, 2022***

[K. RAMBERG; R. BRIMER – 2ND] (9-0) TWO VACANCIES ON THE COMMISSION

February 2, 2022: ***APPROVED A POSTPONEMENT REQUEST BY THE NEIGHBORHOOD TO FEBRUARY 17, 2022***

[K. RAMBERG; BRISTOL – 2ND] (6-0) BARRETT BIXLER, QURESHI, SCOTT – ABSENT; TWO VACANCIES ON THE COMMISSION

PLANNING COMMISSION ACTION / RECOMMENDATION:

April 26, 2022: *APPROVED AN AMENDMENT TO THE RESTRICTIVE COVENANT AS STAFF AND THE ENVIRONMENTAL COMMISSION RECOMMENDED, BY CONSENT*

[J. THOMPSON; R. SCHNEIDER – 2ND] (11-0) T. SHAW, J. SHIEH – ABSENT

March 8, 2022: *APPROVED A POSTPONEMENT REQUEST BY STAFF TO APRIL 26, 2022, BY CONSENT*

[R. SCHNEIDER; A. AZHAR – 2ND] (10-0) J. MUSHTALER – NOT PRESENT FOR PASSAGE OF THE CONSENT AGENDA; J. SHIEH, J. THOMPSON – ABSENT

CITY COUNCIL ACTION:

June 9, 2022:

ISSUES:

The Applicant has entered into a private restrictive covenant with the adjacent property owner to east regarding building height of townhome structures, boundary fencing, emergency access and an impervious cover limit, among other items. Please refer to ***Exhibit E: Declaration of Covenants, Conditions and Restrictions and Removal of Petition Signature*** at the back of the Staff backup material.

Interested parties in the area have raised concerns about the proposed development and increasing the impervious cover currently on the site. This property is located within the Williamson Creek Watershed of the Colorado River Basin, which is classified as a Barton Springs Zone Watershed by Chapter 25-8 of the City's Land Development Code. Due to the existing 1987 Restrictive Covenant, this property has additional permitted entitlements for development than what would be currently allowed under today's Land Development Code (LDC).

Staff has received comments in opposition of this Restrictive Covenant Amendment (RCA) request. For all written or emailed comments, please see ***Exhibit C: Correspondence Received***.

CASE MANAGER COMMENTS:

The proposed Restrictive Covenant Amendment (RCA) area is approximately 13.367 acres and is part of a larger tract currently being requested to be rezoned to GO-MU-NP, please see Zoning Case No. C14-2021-0130.

This undeveloped property is located on the south side of W. SH 71 and is zoned LO-NP. Adjacent zoning consists of LR-MU-CO-NP, LO-MU-CO-NP and RR-NP to the east; SF-6-NP to the south and SF-6-NP, CS-NP and RR-NP to the west. To the north is W. SH 71 right-of-way and is not zoned. Please refer to ***Exhibit A: Zoning Map*** and ***Exhibit B: Aerial Map***.

The Applicant is requesting to amend the permitted site development standards, environmental requirements, and transportation requirements. Specifically, the amendment includes: 1) reducing the maximum impervious cover from 65% to 50%; 2) removing the maximum 146,000 square feet of building space and replacing it with a floor-to-area ratio of 1:1; 3) adding compliance with Section 1.6.9 of the Environmental Criteria Manual (*Save Our Springs*) and limiting cut and fill to 8 feet for site work and grading, with certain exceptions; and 4) removing the requirement to construct a “commercial loop” on the Property and in its place subjecting the property to current Code following completion of any multifamily residential development on the subject property. Please see ***Exhibit D: Restrictive Covenant Amendment Redlines*** for current RC and proposed revisions.

BASIS OF RECOMMENDATION:

Staff recommends the proposed amendments to the RC because much of it allows for development under a previous code and therefore is not up to date on newer and current standards. While the maximum impervious cover is greater than what would be allowed today with the current zoning, the majority of water quality requirements will be fulfilled under current Code instead of the City’s Code of 1981.

EXISTING ZONING AND LAND USES:

| | Zoning | Land Uses |
|-------|------------------------------------|---|
| Site | LO-NP | Undeveloped |
| North | Not applicable | West SH 71 right-of-way |
| South | SF-6-NP | Undeveloped |
| East | LR-MU-CO-NP, LO-MU-CO-NP and RR-NP | Undeveloped, vehicle storage, and bed and breakfast |
| West | SF-6-NP, CS-NP and RR-NP | Undeveloped and convenience storage |

NEIGHBORHOOD PLANNING AREA: Oak Hill Combined (West Oak Hill)

TIA: Not required at this time

WATERSHED: Williamson Creek – Barton Springs Zone (Contributing Zone)

SCHOOLS: Patton Elementary, Small Middle and Bowie High Schools

NEIGHBORHOOD ORGANIZATIONS:

OTHER STAFF COMMENTS:Inclusive Planning*Imagine Austin*

The termination or amending of a Restrictive Covenant is not under the purview of the policies of the Imagine Austin Comprehensive Plan, which is broad in scope and therefore, no Imagine Austin compliance review comments are being submitted for this request.

Environmental Review

DSD EV Review staff will support the amendment if the following is provided:

- Project will provide SOS non-degradation water quality.
- Project will delete 1(c) and 2(d) of the Restrictive Covenant and be reviewed under current environmental code at the time of site plan.

Environmental Office Review

WPD staff will support the amendment if the following is provided:

- Project will provide SOS non-degradation water quality.
- Project will delete 1(c) and 2(d) of the Restrictive Covenant and be reviewed under current environmental code at the time of site plan.

PARD Review

Parkland dedication will be required at the time of subdivision or site plan application for the proposed residential units resulting from the changes to the Restrictive Covenant, per City Code § 25-1-601, as amended. The proposed development meets the criteria for land dedication in City Code Title 25, Article 14. As such, a partial land dedication will be required, as well as any remaining fees in-lieu.

The site is currently park deficient, defined as being outside walking distance to existing parks. The development as proposed will require parkland dedication for the new residential units that will serve this neighborhood through the additional park investment. The Parks and Recreation

Department (PARD) would consider a pocket park with connections into the surrounding neighborhood toward satisfying the requirement at time of permitting (whether subdivision or site plan). Such a park would improve neighborhood park access, and satisfy a park need for this new development.

Should there be any remaining fees in-lieu, those fees shall be used toward park investments in the form of land acquisition and/or park amenities within the surrounding area, per the Parkland Dedication Operating Procedures § 14.3.11 and City Code § 25-1-607 (B)(1) & (2).

Should the applicant wish to discuss parkland dedication requirements in advance of site plan or subdivision applications, please contact this reviewer: thomas.rowlinson@austintexas.gov. At the applicant's request, PARD has provided an early determination letter of the requirements as stated in this review.

Site Plan

Site Plan comments will be made at time of site plan submittal. Please note, large retail uses (over 50,000 sf for most retail uses, 100,000 sf for principal food sales use) are not permitted in the Barton Springs Zone per 25-2-651.

Transportation

Austin Transportation Department does not object to the applicant's proposed restrictive covenant amendment as the site will be required to comply with the Austin Strategic Mobility Plan and all applicable City code and criteria related to transportation design and mitigation.

Austin Water Utility

No comment for restrictive covenant amendment case. All existing easements must be retained.

ENVIRONMENTAL COMMISSION MOTION 20220406 003a

Date: April 6, 2022

Subject: C14-85-288.23(RCA) – 7715 1/2 West State Highway 71 Restrictive Covenant Amendment

Motion by: Jennifer Bristol

Seconded by: Perry Bedford

WHEREAS, the Environmental Commission recognizes the applicant is requesting to amend the Restrictive Covenant Amendment (RCA) which is approximately 13.367 acres and is part of a larger tract currently being requested to be rezoned to GO-MU-NP; and

WHEREAS, the Environmental Commission recognizes the property is located within the Williamson Creek Watershed in the Barton Springs Contributing Zone.

THEREFORE, the Environmental Commission recommends the request to amend the Restrictive Covenant Agreement with the following:

Staff Conditions:

1. This application completes the project established by the Restrictive Covenant such that any further development or redevelopment is subject to current code at the time of site development permit application.
2. This project shall comply with current code, including SOS non-degradation water quality treatment, except for the following exceptions:
 - a. 50% impervious cover on a gross site area calculation shall be allowed rather than the 65% currently allowed,
 - b. Cut and fill shall not exceed 8 feet except for building foundations and stormwater control measures and appurtenances,
 - c. Stormwater control facilities will be allowed within the Water Quality Transition Zone,
 - d. LDC 25-8-301 and 25-8-302 related to construction on slopes does not apply.

and the following Environmental Commission Conditions:

1. The road will have gated access for emergency use only.
2. Vehicular access to Little Deer Crossing shall be limited to emergency vehicles entering and exiting the facility, and that entry will be gated.

VOTE 9-1

*** External Email - Exercise Caution ***

Dear Ms. Clark, Ms. Meredith, and the Austin Housing and Planning Department:

As a homeowner and resident in close proximity to the above referenced rezoning tract I would like to strongly object to the rezoning of 7715 ½ W. SH 71 to Multifamily. I think that it would be too abrupt an upgrade in density from the SF and RR which is directly adjacent to the tract attempting to be rezoned. The proposed 60 ft allowable height is far too tall, especially considering that most of the apartments would be on one of the tallest hills in the area. The amendment of the restrictive covenant would allow far too much impervious coverage in an environmentally sensitive Edwards Aquifer contributing zone. The Oak Hill combined plan and FLUM are clear on what the residents of the area want on that tract and allowing anything else would be a failure in the representation of Oak Hill Residents.

Please add me on the notification list of any hearing, meetings and updates.

Thank You,

Renee Vlahakis

Dear Ms. Clark, Ms. Meredith, and the Austin Housing and Planning Department:

Please don't allow this, there is no need to create so much density here When there are so many communities willing to grow outside of Travis county why pack everyone in like sardines.

As a previous resident of Los Angeles California, I beg you not to make the same mistakes as California the dense living followed by tent cities followed by traffic jams for hours and people living on top of each-other it doesn't have to be this way.

As a homeowner and resident in close proximity to the above referenced rezoning tract I would like to strongly object to the rezoning of 7715 ½ W. SH 71 to Multifamily. Subject: Proposed Apartments on Hwy 71

*** External Email - Exercise Caution ***

To Whom It May Concern:

I am writing to oppose the following rezoning applications:

Rezoning case No. C14-2021-0130 and RCA case No. C14-85-288.23(RCA)

This area is a critical Edwards Aquifer contributing zone that currently allows only 25% impervious cover. This sensitive ecological area should NOT allow such dense development with 65% impervious cover.

Our neighbors were clear when drafting the [Oak Hill Combined Neighborhood Plan](#). The entire development scheme is in direct contradiction to the Oak Hill Combined Neighborhood Plan and the FLUM (Future Land Use Map).

If this proposed plan passes, many of our neighbors will have a massive apartment complex towering over their backyards.

This proposed plan will allow for nearly 400 apartment units and 60 feet high on one of the tallest points in Oak Hill. The traffic and environmental impacts to our area will be significant.

Oak Hill is one of the most targeted areas for developers in Austin, with over 7% of all apartment development that has taken place in Austin in the last 5 years.

We are already being negatively impacted by the massive highway development on both Hwy. 71 and Hwy 290. The additional traffic, and environmental impact of such a massive apartment complex being built in our area is far more than we should be expected to tolerate.

I have lived in this area since 1999, and feel as if the City of Austin is doing everything in its power to take away any rights of the single family homeowners to live here. I moved here to have a safe, quiet place to raise my daughter, in a home I plan to keep. I do not want to be forced to sell and leave this area.

Please vote against these rezoning changes, and prevent this apartment complex from being built.

Thank you,

Nancy Lanier

*** External Email - Exercise Caution ***

I own a home in close proximity to the proposed development of a massive apartment complex at 7715 W. SH 71. I oppose this rezoning request. It is an environmentally sensitive area located over the Edwards Aquifer contributing zone and the plan calls for too much impervious cover. I have owned this home for over 37 years. This neighborhood has always been single family residence and a high density apartment complex would significantly alter the feel of this older, established neighborhood. Traffic issues are already an issue, and this development would compound the problem. Houston Developers should not be allowed to contradict the Oak Hill Combined Neighborhood Plan.

I am strongly opposed to this request for a zoning change.

Dear Ms. Clark, Ms. Meredith, and the Austin Housing and Planning Department:

I strongly oppose this rezoning. I am a licensed landscape architect and very familiar with the development process. Please do not allow this to go forward. It is not an appropriate land use and not compatible with the adjacent tracts.

As a homeowner and resident in close proximity to the above referenced rezoning tract I would like to strongly object to the rezoning of 7715 ½ W. SH 71 to Multifamily. I think that it would be too abrupt an upgrade in density from the SF and RR which is directly adjacent to the tract attempting to be rezoned. *** External Email - Exercise Caution ***

Dear Ms. Clark, Ms. Meredith, and the Austin Housing and Planning Department: As a homeowner and resident in close proximity to the above referenced rezoning tract I would like to strongly object to the rezoning of 7715 ½ W. SH 71 to Multifamily. I think that it would be too abrupt an upgrade in density from the SF and RR which is directly adjacent to the tract attempting to be rezoned. The proposed 60 ft allowable height is far too tall, especially considering that most of the apartments would be on one of the tallest hills in the area. The amendment of the restrictive covenant would allow far too much impervious coverage in an environmentally sensitive Edwards Aquifer contributing zone. The Oak Hill combined plan and FLUM are clear on what the residents of the area want on that tract and allowing anything else would be a failure in the representation of Oak Hill Residents. Please add me on the notification list of any hearing, meetings and updates.

Thank You

Hello. My name is Joy Hernandez, and I'm a longtime resident of Valley View/Scenic Brook. I STRONGLY oppose rezoning of the small piece of land. THERE IS ENOUGH TRAFFIC IN OAK HILL!!! KB Homes has already come through and destroyed the homes of the local coyotes, foxes, rabbits, roadrunners, opossums, and owls. They've also ruined our neighborhood streets.

Please wait until the 290/71 road construction is completed to try to smash more people into tiny boxes.

Thank You,

Joy Hernandez

Hi all,

We do not support the rezoning of this property. We do not want high rise apartments in our neighborhood. They are not an appropriate project for our rural and single family neighborhood and will increase light pollution, bring more traffic and create more impervious cover and bring further harm to an ecologically sensitive zone.

This area is quickly becoming inundated by construction and development which is causing a negative impact on the quality of life as well in this community.

People are moving to Austin to have a good quality of life and live in a sustainable way. This is not a sustainable project and is not the "Austin" people are moving here for.

Outside developers do not get the say so, the residents directly impacted by their huge and inappropriate projects get the say so.

Please, support us by not allowing this rezoning to happen,

Amy Jackson

Dear Ms. Clark, Ms. Meredith, and the Austin Housing and Planning Department: As a homeowner and resident in close proximity to the above referenced rezoning tract I would like to strongly object to the rezoning of 7715 ½ W. SH 71 to Multifamily. I think that it would be too abrupt an upgrade in density from the SF and RR which is directly adjacent to the tract attempting to be rezoned. The proposed 60 ft allowable height is far too tall, especially considering that most of the apartments would be on one of the tallest hills in the area. The amendment of the restrictive covenant would allow far too much impervious coverage in an environmentally sensitive Edwards Aquifer contributing zone. The Oak Hill combined plan and FLUM are clear on what the residents of the area want on that tract and allowing anything else would be a failure in the representation of Oak Hill Residents. Please add me on the notification list of any hearing, meetings and updates.

Thank You

Susan Lindsay

GREETINGS,

I come to you as a concerned resident of the Scenic Brooke neighborhood in Oak Hill. 78736.

We are already experiencing the destruction of so much natural beauty in our neighborhood due to the new highway flyover construction, and these additional apartment plans and clearings are additionally upsetting, destructive and a betrayal of why we chose to move here in the first place. Thank you for your consideration in helping us preserve what is left. There is a serious collective grief for us.

TOO MUCH IMPERVIOUS COVER FOR THE ECOLOGICALLY SENSITIVE EDWARDS AQUIFER CONTRIBUTING ZONE.

This area is a critical Edwards Aquifer contributing zone that currently allows only 25% impervious cover. This sensitive ecological area should NOT allow such dense development with 65% impervious cover.

THIS PROPOSAL IS IN DIRECT CONTRADICTION TO THE OAK HILL COMBINED NEIGHBORHOOD PLAN.

Our neighbors were clear when drafting the [Oak Hill Combined Neighborhood Plan](#). The entire development scheme is in direct

contradiction to the Oak Hill Combined Neighborhood Plan and the FLUM (Future Land Use Map).

TOO ABRUPT A CHANGE FOR RURAL AND SINGLE FAMILY RESIDENCES.

If this proposed plan passes, many of our neighbors will have a massive apartment complex towering over their backyards.

TOO DENSE AND TOO HIGH.

This proposed plan will allow for nearly 400 apartment units and 60 feet high on one of the tallest points in Oak Hill. The traffic and environmental impacts to our area will be significant.

Ms Clark,

I strongly oppose this 400 unit project moving forward. Do not allow this to impact the recharge zone and place this in the middle of single family residences.

Please maintain the integrity left to Oak Hill.

PLEASE DO NOT ALLOW THIS TO MOVE FORWARD AS PLANNED BY THE DEVELOPERS IN QUESTION.

Far too often in our world today, those with enough money and persistence can push forward plans to make even more money by circumventing the wishes of ordinary citizens who have less access than they to authority figures in government. None of us in this part of Austin wants this kind of development in our neighborhood and elected officials such as yourselves are sworn to stand by us and our collective wishes – especially when these wishes greatly impact the future of our lives here in Austin. Please do your duty and make sure we and our sensitive environment are not pushed aside in favor of this toxic business plan.

Hello Team,

I live in Oak Hill. We've done our part by accepting the 14 lane concrete monstrosity with flyovers that is now under construction. I don't also support this 400 unit apartment complex in my neighborhood. I am all for balanced development, but enough is enough. This project should go somewhere else nearby, but outside of Oak Hill.

Thank you for your consideration,

Thaddeus Zaharas

Dear Ms. Clark, Ms. Meredith, and the Austin Housing and Planning Department,

As a homeowner and resident in close proximity to the above referenced rezoning tract, I would like to **strongly object** to the rezoning of 7715 ½ W. SH 71 to Multifamily. This change would be too abrupt an upgrade in density from the SF and RR, which is directly adjacent to the tract attempting to be rezoned. The proposed 60 ft allowable height is far too tall, especially considering that most of the apartments would be on one of the tallest hills in the area. The amendment of the restrictive covenant would allow far too much impervious coverage in an environmentally sensitive Edwards Aquifer contributing zone.

The Oak Hill combined plan and FLUM are clear on what the residents of the area want on that tract, and allowing anything else would be a failure in the representation of Oak Hill Residents. When the people of this neighborhood chose to purchase property in the Oak Hill suburban area, we did so seeking peace, tranquility and distance from the common issues one faces while living in highly populated areas. Oak Hill is already Austin's biggest sought area for apartment development - unsustainable! This not only elevates density and brings all the kinds of troubles that come with excess population, but forces residents into facing the misery of long-term construction - its nuisances and noises. Rezoning all the outskirts of our beautiful (and once tranquil) neighborhood goes directly against the idea of preserving our areas' identity and character. All of us only purchased expensive property here because we knew it to be a single-family housing zone. Rezoning and seeking apartment building at this stage is extremely unfair to the already established single-family owners who live here. We urge you not to let the profits of big corporations be prioritized in opposition to the environment and to the will of thousands of people who already reside here.

I'd be thankful if you can add me on the notification list of any hearing, meetings and updates about this topic.

Respectfully,
Gabrielle Chueh

Dear Ms. Clark, Ms. Meredith, and the Austin Housing and Planning Department: As a homeowner and resident in close proximity to the above referenced rezoning tract I would like to strongly object to the rezoning of 7715 ½ W. SH 71 to Multifamily. I think that it would be too abrupt an upgrade in density from the SF and RR which is directly adjacent to the tract attempting to be rezoned. The proposed 60 ft allowable height is far too tall, especially considering that most of the apartments would be on one of the tallest hills in the area. The amendment of the restrictive covenant would allow far too much impervious coverage in an environmentally sensitive Edwards Aquifer contributing zone. The Oak Hill combined plan and FLUM are clear on what the residents of the area want on that tract and allowing anything else would be a failure in the representation of Oak Hill Residents. Please add me on the notification list of any hearing, meetings and updates.

Thank You

Dear Ms. Clark, Ms. Meredith, and the Austin Housing and Planning Department,

As a homeowner and resident in close proximity to the above referenced rezoning tract, I would like to **strongly object** to the rezoning of 7715 ½ W. SH 71 to Multifamily. This change would be too abrupt an upgrade in density from the SF and RR, which is directly adjacent to the tract attempting to be rezoned. The proposed 60 ft allowable height is far too tall, especially considering that most of the apartments would be on one of the tallest hills in the area. The amendment of the restrictive covenant would allow far too much impervious coverage in an environmentally sensitive Edwards Aquifer contributing zone.

The Oak Hill combined plan and FLUM are clear on what the residents of the area want on that tract, and allowing anything else would be a failure in the representation of Oak Hill Residents. When the people of this neighborhood chose to purchase property in the Oak Hill suburban area, we did so seeking peace, tranquility and distance from the common issues one faces while living in highly populated areas. Oak Hill is already Austin's biggest sought area for apartment development - unsustainable! This not only elevates density and brings all the kinds of troubles that come with excess population, but forces residents into facing the misery of long-term construction - its nuisances and noises. Rezoning all the outskirts of our beautiful (and once tranquil) neighborhood goes directly against the idea of preserving our areas' identity and character. All of us only purchased expensive property here because we knew it to be a single-family housing zone. Rezoning and seeking apartment building at this stage is extremely unfair to the already established single-family owners who live here. We urge you not to let the profits of big corporations be prioritized in opposition to the environment and to the will of thousands of people who already reside here.

I'd be thankful if you can add me on the notification list of any hearing, meetings and updates about this topic.

This is to let you know that I strongly oppose to the rezoning of 7715 1/2 West SH 71. With the highway development of Hwy 290/Sh 71 giving our community much disruption, this rezoning would add just that much more disruption to our community. After the completion of the highway, we need to have some open land to enjoy on our way down the road.

Oak Hill is no longer a "sleepy little community". We are far from it because of developments like this being able to use their money to get cases like this pushed through. Somewhere all of this needs to stop and let us enjoy what scenic views we have left.

Dear Ms. Clark, Ms. Meredith, and the Austin Housing and Planning Department:

I bought my first home in Oak Hill last year. I loved the quiet and quaint older neighborhood lined with oaks. Building a massive apartment in the neighborhood will cause too much impervious cover for the ecologically sensitive Edward's aquifer contribution zone. The apartments would also go against our neighborhood plan and negatively affect many of my neighbors who would have towering apartments on the hill behind their houses. Lastly, the proposed plan is too dense and tall. 400 new apartment units will cause significant traffic and negative environmental impacts to our area.

Thank you,
Mia Dance

*** External Email - Exercise Caution ***

I live in Scenic Brook and I'm OPPOSED to rezoning this plot of land for the planned high-density housing project.

This neighborhood was designed to support detached homes with pervious ground cover to protect the area from flooding and damage.

Even I, as a homeowner, have to ensure that any impervious cover is less than 45% of my lot but this developer gets a pass for 65% impervious cover? Are you kidding me?

Aren't we done giving a pass to big-ticket corporations who talk big and leave messes behind for residents to clean up?

Do we need more housing in Austin? Yes. Do we need more luxury, high-density, high-rent (unaffordable) apartments that pose an environmental risk to the rest of the established neighborhood and area? Absolutely not. We already have enough of that in Scenic Brook.

We've had over 2235 apartment units built in our neighborhood in the past 5 years alone. Enough.

We are residents of the Scenic Brook subdivision and we are writing to you to document our strong objection to the rezoning of 7715 1/2 SH 71 West which we believe will lead to the destruction of our neighborhood and property values. Scenic Brook does not need or desire another large apartment complex in our area.

Thank you!

Dear Ms. Clark, Ms. Meredith, and the Austin Housing and Planning Department: As a homeowner and resident in proximity to the above referenced rezoning tract I would like to strongly object to the rezoning of 7715 ½ W. SH 71 to Multifamily.

In addition to the stated reasons below, the occupants of these multi family units will have entry/exit point only on the free lanes of the coming Hwy71 toll road and/or Scenic Brook Drive. Such a large increase in traffic on the only free lanes will increase wait times at the "Y" for current residents who will also use these free lanes. The whole purpose of the toll road is to reduce congestion at the "Y" but new multi family units with no access to the toll road is in direct conflict with that purpose and keeps the congestion problem for residents using the free lanes.

I think that it would be too abrupt an upgrade in density from the SF and RR which is directly adjacent to the tract attempting to be rezoned. The proposed 60 ft allowable height is far too tall, especially considering that most of the apartments would be on one of the tallest hills in the area. Hello Kate and Maureen,

West Oak Hill was quiet and peaceful.. now, we have a giant project by KB Homes that has covered our neighborhood in silt, have heard jackhammering 12/hrs day 6 days/week for two months, along with giant construction trucks going up and down Scenic Brook- where people go for walks on their own, with babies/kids, and dogs. Looking at the project it's really sad that no green space was preserved at all- how does this help us, the environment, or wildlife? Now there is a rezoning request for a huge apartment complex near the same area. How much can one area take? What about water run off? More construction trucks destroying the roads? I strongly oppose this.. traffic here will already increase due to the other development project going on (on top of people using it as a cut through due to the 290 project). Our neighborhood wasn't built for this much traffic and capacity. Please consider the residents here and the negative impact it would have on us.

Sincerely,

-Karen Galecki

"The hope for the animals of tomorrow is to be found in a humane culture which learns to feel beyond itself. We must learn empathy, we must learn to see into the eyes of an animal and feel that its life has value because it is alive. Nothing less will do." - Kenneth White

*** External Email - Exercise Caution ***

Dear Ms. Clark, Ms. Meredith, and the Austin Housing and Planning Department:

As a homeowner and resident in close proximity to the above referenced rezoning tract I would like to strongly object to the rezoning of 7715 ½ W. SH 71 to Multifamily.

I think that it would be too abrupt an upgrade in density from the SF and RR which is directly adjacent to the tract attempting to be rezoned. The proposed 60 ft allowable height is far too tall, especially considering that most of the apartments would be on one of the tallest hills in the area.

The amendment of the restrictive covenant would allow far too much impervious coverage in an environmentally sensitive Edwards Aquifer contributing zone. The Oak Hill combined plan and FLUM are clear on what the residents of the area want on that tract and allowing anything else would be a failure in the representation of Oak Hill Residents.

Please add me on the notification list of any hearing, meetings and updates.

Thank You ,

Olga Nieto

Hello,

I'm writing to inform you that I am not in favor of the following two cases that have been brought to my attention:

Rezoning case No. C14-2021-0130 and
RCA case No. C14-85-288.23(RCA)

This proposed rezoning will allow nearly 400 apartments in over 8 buildings up to 60 feet in height. The Houston apartment developer is attempting to take advantage of a Restrictive covenant placed on the property of the 1980's which allowed for a maximum 65% impervious coverage for a LO (Limited Office) zoned construction of a maximum of 146,000 square ft. The rezoning request wants to change the use AND increase the maximum square footage by nearly threefold.

THIS PROPOSAL IS IN DIRECT CONTRADICTION TO THE OAK HILL COMBINED NEIGHBORHOOD PLAN.

Please help speak up for our community by voicing our opposition and supporting our efforts in stopping this project.

Thank you,

Keri Cardenas

Chinook Dr, 78736

Dear Ms. Clark, Ms. Meredith, and the Austin Housing and Planning Department:

As a nearby homeowner (7004 Chinook Drive) and the owner of several nearby rental properties (7002 Chinook Drive, 7003 Chinook Drive, 8103 Little Deer Crossing) I strongly feel that the rezoning of this land in question is inconsistent with the zoning of nearby properties. The adjoining land that is currently being developed that is being used as an example of similar use HAS NOT been approved for multi-family apartment-style buildings and CAN NOT be considered as existing zoning/buildings. I, and many others, worked hard on the FLUP and FLUM to make sure that NONE of this land was developed as office or high-density multi-family use. Single-family, duplex or quadplex multi-family are the only acceptable land uses for these lots.

Additionally, the extra impervious cover limits will only contribute to the flooding that already happens downstream along Williamson Creek – specifically at the Oak Hill Youth Sports Association Baseball/ Softball Fields located at 290 & Joe Tanner Lane.

Please do not allow this rezoning to be approved.

Thank you,

Natalie Uzoff Galletti & Joseph Galletti
7004 Chinook Drive, Austin, 78736-1840
512-301-1170

Subject: Rezoning Case No. C14-2021-0130, RCA Case No. C14-85-288.23(RCA)

*** External Email - Exercise Caution ***

To Whom It May Concern,

I want to go on record formally opposing the rezoning laws.

We rent a home in Oak Hill, and the whole reason we moved to this neighborhood was because of the location relative to the city, and how quiet and beautiful it is with that. We like that there aren't many apartment complexes, and the wildlife component is great.

The new proposed apartments will disrupt the wildlife further than it is already being disrupted - driving animals into the streets and people's yards, creating conflict with their pets and even potential dangers for them. For example, since the construction on 290 has started, Coral snakes have been showing up in my yard on a regular basis. The apartments should not be built on such a sensitive aquifer area. They will also majorly disrupt the flow of traffic, which we are already having a problem with, and they will ruin the appeal of the area for many homeowners.

Cheers,

Alix

Dear Ms. Clark, Ms. Meredith, and the Austin Housing and Planning Department:

As homeowners on Scenic Brook Dr and residents in close proximity to the above referenced rezoning tract we would like to strongly object to the rezoning of 7715 ½ W. SH 71 to Multifamily. My wife and I just purchased our home here last summer, particularly because it backs up to a creek and also because of the dense foliage all around. We do not want our creek to dry up nor have tall apartment buildings in our horizon nor added congestion to the area (we are already experiencing enough disruption with the Oakhill Parkway project).

We think that it would be too abrupt an upgrade in density from the SF and RR which is directly adjacent to the tract attempting to be rezoned. The proposed 60 ft allowable height is far too tall, especially considering that most of the apartments would be on one of the tallest hills in the area.

The amendment of the restrictive covenant would allow far too much impervious coverage in an environmentally sensitive Edwards Aquifer contributing zone. The Oak Hill combined plan and FLUM are clear on what the residents of the area want on that tract and allowing anything else would be a failure in the representation of Oak Hill Residents. Please add us to the notification list of any hearing, meetings and updates.

Representative Ellis needs to listen to the folks of district 8 and help the residents vote against this proposal. This complex will be built in my backyard; a single family home neighborhood.

I strongly oppose this rezoning of my neighborhood,

James Cain
26 year homeowner, Chinook Dr.

Dear Ms. Clark, Ms. Meredith, and the Austin Housing and PI,

As a homeowner and resident in close proximity to the above referenced rezoning tract I would like to strongly object to the rezoning of 7715 ½ W. SH 71 to Multifamily.

The proposed 60 ft allowable height is far too tall, especially considering that most of the apartments would be on one of the tallest hills in the area.

Traffic in this area has reached its peak under current circumstances. Adding hundreds of people to a small condensed area would only exasperate the traffic problems. In addition, construction has begun on the 290/71 Super HWY causing its own amount of delays. I don't see how we can allow more construction to commence in this very tight quadrant.

The amendment of the restrictive covenant would allow far too much impervious coverage in an environmentally sensitive Edwards Aquifer contributing zone which has already been disturbed by the building of the Super HWY.

The Oak Hill combined plan and FLUM are clear on what the residents of the area want on that tract and allowing anything else would be a failure in the representation of Oak Hill Residents. Please add me on the notification list of any hearing, meetings and updates.

Thank You,

Susan Shipp Robison

From: Ken & Fun McMinn
Residence: 8008 Little Deer Crossing
Oak Hill, TX 78736

Dear Kate,
Please add us to the record OPPOSING the rezoning of
7715 1/2 W. SH 71 and the development of another
Massive apartment complex in our neighborhood.

This project faces Scenic Brook and our neighborhood
on Little Deer Crossing, which has been a peaceful, low
traffic street of single family home sites. If this high density
apartment project goes through we would directly be affected
with high traffic on a street only 16' wide. We recommend that
our street be blocked with a locked gate and sign saying " For
Construction Use Only".

Thank you for your support.

Ken & Fun

There are more apartment buildings than hills in Oak Hill. The current plan will remove the hills from sight and will be left without a landscape. Breaks my head and my heart. I will vote accordingly.

Dear Ms. Clark, Ms. Meredith, and the Austin Housing and Planning Department: As a homeowner and resident in close proximity to the above referenced rezoning tract I would like to strongly object to the rezoning of 7715 ½ W. SH 71 to Multifamily. I think that it would be too abrupt an upgrade in density from the SF and RR which is directly adjacent to the tract attempting to be rezoned. The proposed 60 ft allowable height is far too tall, especially considering that most of the apartments would be on one of the tallest hills in the area. The amendment of the restrictive covenant would allow far too much impervious coverage in an environmentally sensitive Edwards Aquifer contributing zone. The Oak Hill combined plan and FLUM are clear on what the residents of the area want on that tract and allowing anything else would be a failure in the representation of Oak Hill Residents. Please add me on the notification list of any hearing, meetings and updates.

Thank You

Dear Ms. Clark,

My husband and I have lived in Austin since 1972. We moved to the Scenic Brook area in question 16 years ago. We love it here!

We moved here to have more quiet, fewer people, and less traffic than in Austin proper. We just paid off our mortgage last year and plan to be here for the rest of our lives.

We greatly oppose the proposed rezoning of our area. I ask you to please do all you can to prevent this rezoning.

Thank you so much,
Marsha Walker

*** External Email - Exercise Caution ***

Hello,

My name is Desiree Coleman and I have lived at 7121 Scenic Brook Dr. for 30 years. I am strongly opposed to the request, being made by the developer. In the 30 years I have lived in my home, I have seen drag racing, speeding cars and increased traffic, especially if Scenic Brook is used as a detour. I was a big proponent to have the speed humps added, due to the aforesaid. In addition, I have a video of a woman who was almost plowed down on her morning jog. The driver went up the curb at my house, mowed down the trash cans, my mail box and the next neighbor's mail box. It is a miracle this woman is alive as she had the incentive to jump out of the way. I believe this request will undoubtedly increase the traffic on our street. There are numerous families who have children that live on Scenic Brook, that like to play out front, and their safety is at risk, not to mention those who take their families and pets for a walk at any give time of the day. We have no side walks to protect these people. When vehicles are parked in the street, this limits the width of the road, making this narrow for walkers or joggers to safely go around the parked vehicle. I am pleading with all, to not allow such progress to be developed at 7715 1/2 W St Highway 71, as I believe Scenic Brook will be used as an alternative entrance. I thank you for your time, understanding, consideration, and your vote of NO, for the sake of a safe place to live for Oak Hill/Scenic Brook residents.

Sincerely,

Desiree Coleman

Wendy,

Please see email below about comment for zoning case. They do not mention which one, but I would guess it is for the SH71 cases.

Subject: Oak Hill Neighborhood Plan

*** External Email - Exercise Caution ***

WE DO NOT SUPPORT THIS IN OUR NEIGHBORHOOD!

1. TOO MUCH IMPERVIOUS COVER FOR THE ECOLOGICALLY SENSITIVE EDWARDS AQUIFER CONTRIBUTING ZONE.

This area is a critical Edwards Aquifer contributing zone that currently allows only 25% impervious cover. This sensitive ecological area should NOT allow such dense development with 65% impervious cover.

2. THIS PROPOSAL IS IN DIRECT CONTRADICTION TO THE OAK HILL COMBINED NEIGHBORHOOD PLAN.

Our neighbors were clear when drafting the [Oak Hill Combined Neighborhood Plan](#). The entire development scheme is in direct contradiction to the Oak Hill Combined Neighborhood Plan and the FLUM (Future Land Use Map).

3. TOO ABRUPT A CHANGE FOR RURAL AND SINGLE FAMILY RESIDENCES.

If this proposed plan passes, many of our neighbors will have a massive apartment complex towering over their backyards.

4. TOO DENSE AND TOO HIGH.

This proposed plan will allow for nearly 400 apartment units and 60 feet high on one of the tallest points in Oak Hill. The traffic and environmental impacts to our area will be significant.

--

Attachments: [Save Scenic Brook Petition \(Responses\) - Form Responses 1.pdf](#)

*** External Email - Exercise Caution ***

MS. Rhoades and Meridith, Please find a petition attached signed by 267 neighbors who live in close proximity of the above referenced cases. There is not one person in the neighborhood who is in favor of allowing this zoning change. The height and density is not compatible with the single family neighborhood on all three sides. The Flum and neighborhood plan both prohibit this rezoning and must be followed. There is no point in getting community input on the future vision of our neighborhoods only to disregard those wishes. What are the next steps of the rezoning process and the approximate dates? Additionally the developer has stated that putting the development down by the highway by trading impervious cover entitlements is impossible due in part of the existence of legacy trees. Would it be possible to get a map of the tree inventory for the subject tracts. Putting the development by the highway would be the best accommodation to the neighborhood and still provide the developer with a viable project. I appreciate your help on this matter.

Regards
Eric Yerkovich

SAVE SCENIC BROOK PETITION

The purpose of this petition is to oppose the rezoning of one of the last open tracts of land in the Scenic Brook, Valley View, Covered Bridge, and Windmill Run area of Oak Hill.

The 23 acre tract located at 7715 ½ W. SH 71t is currently being considered for rezoning from Single Family to Mixed Use.

Rezoning case No. C14-2021-0130: https://abc.austintexas.gov/public-search-other?t_detail=1&t_selected_folderrsn=12749162&t_selected_propertyrsn=912686

The proposed rezoning will allow nearly 400 apartments in over 8 buildings up to 60 feet in height. The Houston apartment developer is attempting to take advantage of a Restrictive covenant placed on the property of the 1980's which allowed for a maximum 65% impervious coverage for a Limited Office zoned construction of a maximum of 146,000 square ft. The rezoning request wants to change the use and increase the maximum square footage of nearly threefold.

RCA case No. C14-85-288.23(RCA): https://abc.austintexas.gov/public-search-other?t_detail=1&t_selected_folderrsn=12749289&t_selected_propertyrsn=912686

This is in an area which currently allows only 25% impervious coverage as it is in the critical Edwards Aquifer contributing zone and should not allow such dense development.

The entire development scheme is in direct contradiction to the Oak Hill Combined Neighborhood Plan https://www.austintexas.gov/sites/default/files/files/Housing_%26_Planning/Adopted%20Neighborhood%20Planning%20Areas/23_OakHillCombined/oakhill-np.pdf

Please sign this petition to voice your opposition to this rezoning plan:

Oak Hill Neighborhood Planning Contact Team
Oak Hill Combined Neighborhood Plan

DATE: January 26, 2022
TO: Planning Commission, City of Austin
FROM: OHNPCT Board
RE: Vote “NO” on NPA-2021-0025.02 / 7715 ½ W. SH 71
C14-2021-0130 / Restrictive Covenant C14-85-288.23 (RCA)

Dear Chair Shaw, Vice-Chair Hempel, and Commissioners Mushtaler, Llanes Pulido, Thompson, Schneider, Cohen, Praxis, Connolly, Howard, Shieh, Azhar, Cox, Flores, and Singh,

The Oak Hill Neighborhood Planning Contact Team Board voted unanimously to recommend leaving the current zoning and land use in place on both subject tracts, and requests that commissioners vote “no” on these cases.

Members of the Oak Hill Community, affected stakeholders, and the petitioner (who has submitted a valid petition) have clearly communicated support for maintaining the current zoning and land use (LO-NP and RR-NP).

Thank you in advance for supporting the will of the community stakeholders.

Sincerely,

OHNPCT’s Board of Directors

President, Cynthia Wilcox; Vice-President, Tom Thayer; Secretary Leigh Ziegler

OHAN
OAK HILL ASSOCIATION OF NEIGHBORHOODS

DATE: January 31, 2022
TO: Whom It May Concern
FROM: Oak Hill Association of Neighborhoods (OHAN)
RE: 7715 ½ W. SH 71 (NPA-2021-0025.02, C14-2021-0130, C14-85-288.23 (RCA))

At the Oak Hill Association of Neighborhoods Membership Meeting on January 19, 2022, a motion was unanimously approved by a vote of the membership to oppose the proposed rezoning and land use changes for the property located at 7715 ½ West US Highway 71 (NPA-2021-0025.02).

Please include this statement in the official backup material.

Sincerely,

Board of Directors, Oak Hill Association of Neighborhoods (OHAN)

Good evening,

Please accept this email as a joint postponement request from the applicant and the adjacent property owner of item 4b from the 2/16/2022 EVC meeting to the 3/2/2022 EVC meeting. The applicant and the adjacent property owner have been working together and hope to have a finalized agreement before the next meeting. I have copied Mr. Yerkovich on this correspondence so he can confirm.

Please let me know if you need anything additional from us to process this request.

Respectfully,

Amanda Swor

Good morning Amanda,

Are all parties in agreement on the postponement request?

All issues will need to be resolved and all changes to the backup must be provided to WPD staff no later than March 25 in order to be placed on the April 6 agenda.

Thanks, Liz

*** External Email - Exercise Caution ***

Kaela/Liz/Wendy,

Please accept this correspondence as a request for postponement of the 7715 ½ West State Hwy 71 case on the Environmental Commission agenda tomorrow evening. We have been working with the adjacent neighbor who has a valid petition against the rezoning and have

come to an agreement. We are nearly finished papering the agreement and feel it would be in the Commission's best interest to have time to review this executed agreement with the entire request and we also want to be able to communicate this information to the larger stakeholder group.

We request a postponement of the case to the April 6, 2022 Commission date. Mr. Yerkovich, please respond if you agree with this requested postponement.

We truly appreciate all of the time everyone has spent on this request and look forward to bringing this request to the Commission at the next meeting.

If I can provide any additional information, please let me know.

Respectfully,

Amanda W Swor, Director of Entitlements & Policy

RESTRICTIVE COVENANT

Owner: Stephen Simon

00004375692

Owner's Address: 1413 Gaston Ave., Austin, Texas 78703

2:03 PM 8467

13.00 INDEX

3 3 06/28/88

578.74-0004

Consideration: One and No/100 Dollars (\$1.00) and other good and valuable consideration paid by the City of Austin to the Owner, the receipt and sufficiency of which is acknowledged.

Property: Tract 1: All that certain tract, piece or parcel of land, lying and being situated in the County of Travis, State of Texas, described in Exhibit "A" attached hereto and made a part hereof for all purposes, to which reference is here made for a more particular description of said property; and

Tract 2: All that certain tract, piece or parcel of land, lying and being situated in the County of Travis, State of Texas, described in Exhibit "B" attached hereto and made a part hereof for all purposes, to which reference is here made for a more particular description of said property.

Owner of the Property, for the consideration, impresses the Property with these covenants and restrictions running with the land:

1. The following conditions apply to Tract 1 of the Property:

a. Maximum impervious coverage of the Property shall be 50 ~~75~~ percent.

b. The Property shall be limited to a maximum of ~~146,000 square feet of building space.~~ Floor to Area Ratio of 1 to 1.

c. Development of the Property shall be in compliance with Sections 9-10-171 through 9-10-230 and Sections 13-3-401 through 13-3-475 of the Austin City Code of 1981 except for the following sections:

The part of Section 9-10-191 which reads "or to a development within a recorded subdivision which was finally approved or finally disapproved by the Planning Commission prior to December 18, 1980."

Section 9-10-208, subsections (c), (d), and (e).

Section 13-3-408(a).

Section 13-3-433, subsections (c), (d), and (e).

2. The following conditions apply to Tract 2 of the Property:

a. Maximum impervious coverage of the Property shall be 50 percent.

b. Any residential dwellings constructed on the Property shall be constructed at a density of 4 SF-6 single family dwelling units or less per acre.

c. There shall be an undisturbed buffer 75 feet wide along the single family neighborhood property lines of the Property.

d. Development of the Property shall be in compliance with Sections 9-10-171 through 9-10-230 and Sections 13-3-401 through 13-3-475 of the Austin City Code of 1981 except for the following sections:

The part of Section 9-10-191 which reads "or to a development within a recorded subdivision which was finally approved or

d. Compliance with the Environmental Criteria Manual Section 1.6.9 (S.O.S.) is required.
e. Cut and fill is limited to a maximum of 8 feet for site work and grading, excluding building footprints, ponds and related wet well basins and underdrain systems.
f. Vehicular access to Little Deer Crossing shall be gated and restricted to emergency vehicles entering and exiting the Property.

finally disapproved by the Planning Commission prior to December 18, 1980." Section 9-10-208, subsections (c), (d), and (e).
Section 13-3-408(a).
Section 13-3-433, subsections (c), (d), and (e).

3. DELETE ~~Owner shall participate fiscally in the construction of a commercial loop, consistent with the subdivision process requirements in Chapter 13-3 of the Austin City Code. This commercial loop shall be constructed with 70 feet of right of way, 44 feet pavement width, and shall pass through the Property. All access to Tract 1 shall be via this roadway. This roadway shall further be subject to city-approved design and signalization requirements.~~

4. If any person or entity shall violate or attempt to violate this agreement and covenant, it shall be lawful for the City of Austin, a municipal corporation, its successors and assigns, to prosecute proceedings at law or in equity, against such person or entity violating or attempting to violate such agreement or covenant, to prevent the person or entity from such actions, and to collect damages for such actions.

5. If any part of this agreement or covenant shall be declared invalid, by judgment or court order, the same shall in no way affect any of the other provisions of this agreement, and such remaining portion of this agreement shall remain in full effect.

6. If at any time the City of Austin, its successors or assigns, fails to enforce this agreement, whether or not any violations of it are known, such failure shall not constitute a waiver or estoppel of the right to enforce it.

7. This agreement may be modified, amended, or terminated only by joint action of both (a) a majority of the members of the City Council of the City of Austin, or such other governing body as may succeed the City Council of the City of Austin, and (b) by the owner(s) of the Property at the time of such modification, amendment or termination.

All citations to the Austin City Code shall refer to the Austin City Code of 1981, as amended from time to time, unless otherwise specified.

When the context requires, singular nouns and pronouns include the plural.

EXECUTED this 19 day of DECEMBER, 1987.

DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS

This Declaration of Covenants, Conditions and Restrictions (this "Declaration") is entered into by and between 5606 SOUTH RICE LLC, a Texas limited liability company ("Owner"), and Eric Yerkovich, an individual ("Neighbor"), as of the 24 day of March 2022.

RECITALS

WHEREAS, Owner owns the property generally located to the south of State Highway 71 and to the west of Stillridge Dr., Austin, Texas 78735, more particularly described in Exhibit A, attached hereto (the "Property");

WHEREAS, Neighbor owns three neighboring tracts of land generally located to the east of the Property, which are more particularly described in Exhibit B, attached hereto (the "Neighboring Property").

WHEREAS, Owner intends to redevelop the Property (the "Project") and has made related applications with the City of Austin (the "City") in Zoning Case No. C14-2021-0130, Neighborhood Plan Amendment Case No. NPA-2021-0025.02, and Restrictive Covenant Amendment Case No. C14-85-288.23(RCA) (collectively, the "Entitlement Applications");

WHEREAS, Owner has agreed that upon the final unappealable approval of the Entitlement Applications by the City (the "Entitlement Approvals"), the Property shall be restricted by these covenants, and that these conditions shall be filed of record with the Official Public Records of Travis County, Texas, and shall henceforth bind the Owner and its successors and assigns, and restrict the use of the Property as described herein, and such restrictions shall be made enforceable by Neighbor through this Declaration for the fixed Term described herein, except where specifically stated otherwise;

WHEREAS, upon the effective date of the Entitlement Approvals, and subject to all of the terms and conditions of this Declaration, Owner has voluntarily agreed to henceforth restrict the Property with certain restrictive covenants for the Term hereof, which are described herein.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and subject to all of the terms and conditions of this Declaration, the undersigned Owner shall hold, sell and convey the Property subject to the following covenants, conditions and restrictions, which are impressed upon the Property for the Term described herein by this Declaration.

I. DECLARATIONS AND AGREEMENTS

- 1.1 Utilization of Zoning Entitlements. Owner may only utilize the entitlements made applicable to the Property by the Entitlement Applications if the Project contains the conditions expressed in this covenant.
- 1.2 Covenants, Conditions and Restrictions upon Property. Owner declares that the Property is subject to the following covenants, conditions and restrictions, which shall run with the Property and bind all parties having right, title, or interest in or to the Property or any part, their respective heirs, successors, and assigns for the Term as set forth herein. Each deed or conveyance of any kind conveying all or a portion of the Property will conclusively be held to have been executed, delivered, and accepted subject to these covenants, conditions and restrictions, regardless of whether or not they are set out in full or by reference in the deed or conveyance.
 - 1.2.1 Garbage Collection and Storage. The Project shall not locate trash collection facilities within 200 feet of its eastern boundary.
 - 1.2.2 Development Standards. All Town Home structures shall be limited to 2 stories and 35 feet in height, as calculated pursuant to the City of Austin Land Development Code in effect on the Effective Date.
 - 1.2.3 Project Layout. The final approved Project layout shall comply with the height limitations outlined in the hatched areas shown on the rough bubble plan concept, attached hereto as Exhibit C, calculated pursuant to the City of Austin Land Development Code in effect on the Effective Date. Additionally, no multifamily structures shall be constructed in areas shown as planned parkland in Exhibit C. For the avoidance of doubt, no structures exceeding the height limitations called out generally in the hatched areas of Exhibit C shall be permitted. The exact building locations will be determined by Developer in its sole and absolute discretion so long as the foregoing provisions in this paragraph are met.
 - 1.2.4 Boundary Fence. Developer will construct an 8-foot tall wrought-iron fence along the entire eastern boundary of the Property, as well as an 8-foot-tall solid masonry fence in the area generally as shown on Exhibit C. The boundary fence shall include 3 lockable gates, each 4-feet in width, with digital locks, at locations reasonably determined by Neighbor.
 - 1.2.5 Emergency Access. Access to and from the Property to the Neighboring Property shall be for emergency purposes and vehicles only. Ingress and Egress by residents is prohibited.
 - 1.2.6 Photometric Plan. As the Project is developed, Developer will share with

Neighbor a copy of its photometric plan showing no light crossing over the Property boundary lines and will meet relevant dark sky standards, both as required by City Code.

1.2.7 Impervious Cover. The maximum impervious cover of the Property shall be 50 percent, as calculated pursuant to the City of Austin Land Development Code in effect on the Effective Date.

1.2.8 Cooperation. Owner shall support a rezoning or variance request with respect to the three tracts owned by Neighbor in the form of a letter to City staff or through testimony at a public hearing before the Land Use Commission or City Council, unless a redevelopment of such tracts by Neighbor involves Adult-Oriented Businesses or uses permitted under Major Industry or Industrial Park zoning districts, each as described in the City of Austin Land Development Code in effect on the Effective Date.

1.2.9 Attorney Review. Owner shall pay for Neighbor's reasonable attorney's fees up to ten thousand dollars (\$10,000.00) for the review and negotiation of this Declaration.

1.3 Terms of Support. Notwithstanding any other provision of this Declaration, the items listed in Section 1.2 above are enforceable by Neighbor only under the condition that the Neighbor withdraws its protests of the Entitlement Applications and positively supports the Entitlement Applications during the Austin City Council, Land Use Commission and Environmental Commission meetings in which votes for the Entitlement Applications take place. This support may be in the form of a letter to the Land Use Commission, the Mayor of Austin and the Austin City Council Members, or by a public statement during such Land Use Commission and City Council meetings. To the extent that any action is taken or statement is made contrary to this paragraph by Neighbor or an authorized representative of Neighbor prior to the City granting the Entitlement Approvals, this Declaration shall be deemed null and void.

I. DEFAULT AND REMEDIES

2.1 Remedies. Following the occurrence of a breach of (i) Owner's obligations under Section 1.2 of this Declaration or (ii) Neighbor's obligations under Section 1.3 of this Declaration, only Owner, including its successors and assigns, and Neighbor shall be entitled to institute proceedings for full and adequate relief from the consequences of said breach or threatened breach, including the right to enforce the provisions by pursuing any and all remedies available at law or in equity, including without limitation by specific

performance and injunctive relief. If Owner or Neighbor shall fail to comply with any term, provision or covenant of this Declaration (a "Defaulting Party") and shall not cure such failure within thirty (30) days after receipt of written notice (or if the default is of such character as to require more than thirty (30) days to cure and the Defaulting Party shall fail to commence to cure the same within such period or shall fail to use reasonable diligence in curing such default thereafter) from a person or entity with the right hereunder to seek relief for such breach (a "Non-Defaulting Party") to the Defaulting Party of such failure, the Non-Defaulting Party shall have the option of pursuing any remedy it may have at law or in equity, including, without limitation, specific performance or injunctive relief from a court of competent jurisdiction. For the avoidance of doubt Neighbor shall not be liable for damages in the event that the Entitlement Applications are not approved notwithstanding Neighbor's compliance with Section 1.3 of this Declaration.

II. GENERAL PROVISIONS

- 3.1 No Third-Party Beneficiary. The provisions of this Declaration are for the exclusive benefit of the parties hereto, and their successors and assigns as owners of the Property and Neighboring Property, and not for the benefit of any third person, including without limitation, the City of Austin, nor shall this Declaration be deemed to have conferred any rights, express or implied, upon any third person or the public.
- 3.2 No Dedication. No provision of this Declaration shall ever be construed to grant or create any rights whatsoever in or to any portion of the Property other than the covenants, conditions and restrictions specifically set forth herein. Nothing in this Declaration shall ever constitute or be construed as a dedication of any interest herein described to the public or give any member of the public any right whatsoever.
- 3.3 Notice. All notices required or permitted to be given hereunder, or given in regard to this Declaration, shall be in writing and the same shall be given and be deemed to have been served, given and received (a) one (1) business day after being placed in a prepaid package with a national, reputable overnight courier addressed to the other party at the address hereinafter specified; or (b) if mailed, three (3) business days following the date placed in the United States mail, postage prepaid, by certified mail, return receipt requested, addressed to the party at the address hereinafter specified. Owner may change their respective addresses for notices by giving five (5) business days' advance written notice to the other in the manner provided for herein. Until changed in the manner provided herein, Owner and Neighbor's addresses for notice is as follows:

Owner:

C/o Jason Hauck – Morgan Group
3815 S. Capital of Texas Highway, Suite 300
Austin, TX 78704

With a copy to:

Drenner Group, P.C.
200 Lee Barton Drive, Suite 100
Austin, Texas 78704
Attn.: Amanda Swor

Neighbor:

Eric Yerkovich
P.O. Box 90174
Austin, Tx
78709

- 3.4 Attorneys' Fees. The unsuccessful party in any non-appealable and final action brought to enforce this Declaration shall pay to the prevailing party a reasonable sum for costs actually incurred by the prevailing party in enforcing this Declaration, including reasonable attorneys' fees and court costs.
- 3.5 Entire Declaration. This Declaration constitutes the entire agreement between the parties hereto regarding the matters set forth herein. The parties do not rely upon any statement, promise or representation with respect to the matters set forth herein that is not herein expressed, and, except in accordance with Section 3.11 below, this Declaration once executed and delivered shall not be modified or altered in any respect except by a writing executed and delivered in the same manner as required by this document.
- 3.6 Severability. If any provision of this Declaration shall be declared invalid, illegal or unenforceable in any respect under any applicable law by a court of competent jurisdiction, the validity, legality and enforceability of the remaining provisions shall not be affected or impaired thereby. It is the further intention of the parties that in lieu of each covenant, provision or agreement of this Declaration that is held invalid, illegal or unenforceable, that be added as a part hereof a clause or provision as similar in terms to such illegal, invalid or unenforceable clause or provision as may possible and be legal, valid and enforceable.
- 3.7 Rights of Successors; Interpretation of Terms. The restrictions, benefits and obligations hereunder shall create benefits and servitudes running with the land. Subject to the other provisions hereto, this Declaration shall bind and inure to the benefit and burden of the

parties and their respective successors and assigns. Reference to "Owner" includes the future owners of their respective portions of the Property, including any portions of the Property that may in the future be created as separate tracts pursuant to a resubdivision of any portion of the Property. Reference to "Neighbor" includes the future owners of all or any portion of the Neighboring Property. The singular number includes the plural and the masculine gender includes the feminine and neuter.

- 3.8 Estoppel Certificates. Owner (or any mortgagee holding a first lien security interest in any portion of the Property) may, at any time and from time to time, in connection with the leasing, sale or transfer of its tract, or in connection with the financing or refinancing of its tract by any bona fide mortgage, deed of trust or sale-leaseback made in good faith and for value, deliver a written notice to the other party requesting that such party execute a certificate, in a form reasonably acceptable to such party, certifying that, to such party's then current actual (not constructive) knowledge, (a) the other party is not in default in the performance of its obligations to or affecting such party under this Declaration, or, if in default, describing the nature and amount or degree of such default, and (b) such other information regarding the status of the obligations under this Declaration as may be reasonably requested. A party shall execute and return such certificate within twenty (20) days following its receipt of a request therefor.
- 3.9 Counterparts; Multiple Originals. This Declaration may be executed simultaneously in two or more counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.
- 3.10 Conflict with Ordinance. To the extent that any of the covenants, conditions and restrictions contained within this Declaration conflict with terms or conditions addressed in the zoning ordinance issued by the City of Austin in connection with the Entitlement Applications, or any supporting materials, for purposes of this Declaration the terms and conditions of this Declaration shall control.
- 3.11 Approval of the City Applications. Notwithstanding any other provision of this Declaration to the contrary, the agreements of Owner reflected herein are conditioned upon final approval (i.e., third reading) of the Entitlement Applications by the City of Austin City Council, with no subsequent appeal, and in a form and on terms and conditions acceptable to Owner in its sole discretion. If the Entitlement Approvals are not granted in a form acceptable to Owner, the covenants, conditions and restrictions contained within this Declaration shall not be applicable and shall be terminated. To the extent that (i) this Declaration is not deemed applicable and terminated pursuant to the immediately preceding sentence, (ii) Neighbor violates Section 1.3 hereof, (iii) the Declaration expires pursuant to Section 3.11; or (iv) Owner and Neighbor, or the then owners of the Property and Neighboring Property, agree to terminate the Declaration, this

Declaration shall be deemed of no further force and effect and shall terminate and an affidavit executed by Owner and recorded in the Official Public Records of Travis County, Texas, certifying the facts supporting and evidencing the termination of this Declaration (a "Termination Affidavit") shall be deemed sufficient to release this Declaration from the Official Public Records of Travis County, Texas, such that this Declaration shall no longer encumber the Property. Third parties shall have the right to rely on such Termination Affidavit, provided, however, at Owner's request and expense, Neighbor shall execute and acknowledge a counterpart to such Termination Affidavit.

- 3.12 Term. This Declaration shall expire automatically and according to its own terms on the tenth (10th) anniversary of the Effective Date.
- 3.13 Effective Date. This Declaration shall become effective upon the final effective date of the Entitlement Approvals by the City of Austin in a form acceptable to Owner. If the Entitlement Applications are not approved in a form acceptable to Owner, then, consistent with Section 3.11 above, this Declaration shall be void and of no effect.

Re: Withdrawal of Protest of Zoning Case No. C14-2021-0130,
Neighborhood Plan Amendment Case No. NPA-2021-0025.02,
and Restrictive Covenant Amendment Case No. C14-85-288.23
regarding the property generally located at 7715 ½ West State
Highway 71, Austin, Texas 78735 (the “Property”)

Dear Ms. Rhoades,

My name is Eric Yerkovich. As the owner of three tracts of land located generally to the east of the Property, I previously sent in a protest of the above applications pursuant to Chapter 211.006 of the Texas Local Government Code. After meeting with the applicant, I withdraw my prior protest in full and give my full support to the applications. Please feel free to reach out if you have any questions.

Sincerely,

Eric Yerkovich

Re: Support for Zoning Case No. C14-2021-0130, Neighborhood Plan Amendment Case No. NPA-2021-0025.02, and Restrictive Covenant Amendment Case No. C14-85-288.23 regarding the property generally located at 7715 ½ West State Highway 71, Austin, Texas 78735 (the “Property”)

Dear Council Members and Commissioners,

My name is Eric Yerkovich, and I own three tracts of land located generally to the east of the Property. I have met and discussed the applicant’s project and give my full support to the above numbered applications, as their approval would allow for the construction of a superior development than what is permitted under current entitlements, based on recording the attached restrictive covenant which we negotiated. Furthermore, I appreciate the applicant meeting with me on several occasions to discuss their proposed project and ultimately making changes to it to make for a better relationship between our adjacent properties post-development. Please feel free to reach out if you have any questions.

Sincerely,

Eric Yerkovich
