

**DOWNTOWN AUSTIN  
COMMUNITY COURT**

# **GEOGRAPHIC SERVICE AREA AND ADJUDICATED CITATION ANALYSIS**

**May 20, 2022**

# SCOPE AND PURPOSE

DACC is conducting an analysis of its current and potential geographic service area (GSA) and adjudicated citations.

The purpose of this analysis is to understand the efficacy of DACC's current GSA and adjudicated citations, and to determine whether expansion or alterations might better serve the community and DACC stakeholders.

# CURRENT GSA /ADJUDICATED CITATIONS

**Geographic service area:** The neighborhoods for which DACC adjudicates citations. Currently downtown, west campus, and east Austin

**Adjudicated citations:** The charge codes, or offenses, that are heard at DACC. Currently Class C misdemeanors (includes Prop B and state camping ban violations)

# KEY PROJECT ELEMENTS

Methodology: What does this process look like?

Stakeholders: Who is involved in different parts of this project?

Community Engagement: How is DACC engaging with members of the public on this project?

Considerations: What legal, budgetary, or partnership-related considerations are being made?

Goals/Expected Outcomes: What are the expected process results?

# PROJECT TIMELINE

**March and April 2022** – DACC internal discussions and information analysis

**May 2022** – Planning for interdepartmental workshops, community engagement process

**June 2022** – Interdepartmental workshops, community engagement process

**July 2022** – Analysis of data, preliminary report to DACC Advisory Board
