

## ESM-MACC Phase 2 Site Closure and Program Continuation Plan 2023 to 2024

The ESB MACC is committed to the continuation of programs during the Phase 2 closures. We see the closure as an opportunity to extend programs to areas of the City where cultural programs are scarce. The goals are to continue providing signature events and programs at locations such as recreation centers and libraries and to keep the existing staff working on MACC related programs.

### Site closures update
