

M/WBE Summary

Public notice was given for this Request for Qualifications CLMP323 2022 Inspection and Analysis of Power Generation Facilities Rotation List, through the City's Vendor Connection web portal. Four firms submitted qualifications statements and responses were opened on February 26, 2022. Of the four submittals received none of the firms submitting were certified MBE/WBE.

The City's Small and Minority Business Resources Department has determined that no goals are appropriate for this solicitation. Although no goals have been established for this solicitation, the firms were required to comply with the City's MBE/WBE Procurement Program if areas of subcontracting were identified. The recommended firms complied with the City's MBE/WBE Procurement Program in subcontracting areas identified and was approved by the Small and Minority Business Resources Department.
