Re: Austin Energy's Base Rate Review

Dear Examiner Vickery:

This letter is to inform you that Texas Industrial Energy Consumers (TIEC) and Austin Energy have agreed that the deadline for TIEC to file a motion to compel Austin Energy's response to TIEC 4-5 and TIEC 4-10 should be extended to June 13, 2022. The parties continue to negotiate a potential resolution to Austin Energy's objections to those discovery requests. TIEC therefore requests that the deadline be so extended.

Respectfully submitted,

/s/ Benjamin B. Hallmark
