

MEMORANDUM

TO: Mayor and Council Members

FROM: Ed Van Eenoo, Chief Financial Officer 

THROUGH: Veronica Briseño, Assistant City Manager

DATE: June 24, 2022

SUBJECT: **Development Fee Waivers for the Mexic-Arte Renovation Project (Resolution No. 20220127-55)**

The purpose of this memo is to provide response to [Resolution No. 20220127-55](#) which directed the City Manager to present waivers for Mexic-Arte development fees for Council consideration annually.

The Development Services Department, in partnership with former Council Member Casar's Office and other City departments, coordinated efforts to list all cost estimates for the Mexic-Arte Museum renovation project. The result of this effort led the Development Services Department to include a fee waiver total amount (approximately \$27,000) in the proposed Fiscal Year 2023 budget to seek reimbursement from the general fund. The Development Services Department will continue to work with Mexic-Arte and partners to ensure future development fee waivers for the subsequent years, until the completion of the project.
