Please prevent the owner of 1004 Spence street from tearing that house down. I am unable to be at the hearing next week but I strongly oppose the demolition of that home as it is lovely and contributes to the character of our little historic district. There is no reason to demolish that home. If she doesn't want to preserve it she shouldn't have purchased in the district. I would be happy to buy the house and remodel it! We also have a quite few lovely public pools in the area. I'd be happy to give her a tour.

Very truly yours,

Stephen Shallcross
