Hello,

I reside at 504 East Annie Street. I received a notification about the building permit being requested for 407 East Monroe Street. I have tried to register to participate in the historic landmark commission meeting on July 6, 2022 but have not been able to find a working link to do so.

Mr. Oam Parkash recently built a house behind mine on Newning Street. I would like to participate in the meeting because I want to understand his plans for 407 East Monroe Street. If the home is to be renovated with the exterior left unchanged, I am supportive. However, if the home on the site is to be demolished, I am against replacing it with a stark modern house that is out of keeping with the neighborhood.

Please let me know how I can register to participate in the meeting.

Matt Davis
