

To Whom it May Concern,

I live at 8200 Cache Drive and I am writing you to lend my support to the variance being requested for the structure being built at 8114 Cache Drive. The owner has been transparent with me and let me see the proposed site, and full plans for the construction. This building will not have a negative effect on my property, nor will it infringe on the surrounding streets in any way.

Sincerely,

Grant Williams
