

COMMUNITY ADVANCEMENT NETWORK

MISSION

CAN is a partnership of governmental, non-profit, private and faith-based organizations which leverage mutual resources to collectively improve social, health, educational and economic opportunities in our community.

CAN: Promoting & Supporting the Power of Collaboration for More than 25 Years

- Identifying opportunities to coordinate and align services among CAN partners and other community service providers.
- Supporting efforts to address community challenges through collective action.
- Creating civic infrastructure for civic dialogue and civic action.
- Ensuring the right stakeholders are part of assessing and addressing the challenges our community faces.
- Increasing understanding of emerging issues and trends and identifying proactive strategies that may be pursued.

CAN SUPPORTS COLLABORATIVE ACTION AIMED AT EXPANDING EQUITY & OPPORTUNITY BY:

DEVELOPING TOOLS TO INFORM

CAN DASHBOARD

In 2021, CAN Published the 12th annual CAN community dashboard tracking 18 indicators that assess our community's overall health/well-being.

MAKING STRATEGIC CONNECTIONS

LANGUAGE ACCESS

CAN has been working with its Language Access Action Team to develop resources that: organizations can use to improve services; and community members can use to access services. This includes establishment of the Central Texas Language Access Fund.

REGIONAL SUMMIT

In 2021, CAN hosted its 5th biennial "Expanding Opportunity" Regional Summit to discuss the post-pandemic economic recovery . Follow-up "Expanding Opportunity Forums" are currently taking place.
