RE: Updated Procedural Schedule

Attached please find a revised copy of the procedural schedule reflecting discussions at this morning's preliminary conference. Here is a summary of the changes:

- Participants' Closing Briefs will now be due July 26;
- Austin Energy's Closing Brief will now be due on August 4;
- The IHE Recommendation will now be due on September 7; and
- Responses to the IHE Recommendation ("Exceptions") will now be due on September 22.

Extending the deadline for filing responses to the IHE Recommendation was not discussed at the preliminary conference. However, a one-week extension is consistent with the other changes listed above.

Sincerely,

Thomas L. Brocato
