

# Community Advancement Network

Presented to the City of Austin's

Commission for Women

by: Carlos A Soto

July 13, 2022

## MISSION

CAN is a partnership of governmental, non-profit, private and faith-based organizations which leverage mutual resources to collectively improve social, health, educational and economic opportunities in our community.

# **CAN: Promoting & Supporting the Power of Collaboration for More than 25 Years**

- Identifying opportunities to coordinate and align services among CAN partners and other community service providers.
- Supporting efforts to address community challenges through collective action.
- Creating civic infrastructure for civic dialogue and civic action.
- Ensuring the right stakeholders are part of assessing and addressing the challenges our community faces.
- Increasing understanding of emerging issues and trends and identifying proactive strategies that may be pursued.

# CAN SUPPORTS COLLABORATIVE ACTION AIMED AT EXPANDING EQUITY & OPPORTUNITY BY:

## MAKING STRATEGIC CONNECTIONS

### LANGUAGE ACCESS

CAN has been working with its Language Access Action Team to develop resources that: organizations can use to improve services; and community members can use to access services. This includes establishment of the Central Texas Language Access Fund.

### REGIONAL SUMMIT

In 2021, CAN hosted its 5th biennial “Expanding Opportunity” Regional Summit to discuss the post-pandemic economic recovery . Follow-up “Expanding Opportunity Forums” are currently taking place.
