Austin Siding & Windows

Your Central Texas Remodeling Professionals

Addendum to Windows Contract between Helen W Shoulds and Austin Siding & Windows.

Living area "A" which includes current living space adjacent to kitchen area requires removal of wall dividing Living Room and front bedroom to create a larger Living/Dining space. Also paneling will be removed from remaining living room walls and then new 1/2" drywall sheet rock will be installed, complete with tape/float and texture and painted. The ceiling in the living area will have repairs made on as needed basis which will be known upon completion of the pier and beam repairs currently being made on the home.

Bedroom "1" will be converted upon demolition of the wall dividing it from the living area. As part of this makeover the existing closet will be removed. The paneling will be removed with dryall replacement complete with tape/float and texture. This room will also be painted your color of choice and the ceiling will be repaired as needed upon inspection.

Bathroom "1" will have the current sink/counter space removed with the sink relocated to a location closer to the door along the same wall and the toilet will be relocated along this wall as well to streamline this bath space and making access to the bath/shower area more convenient as well as making the space more aesthetically pleasing. The current bath tile will be removed to allow for a longer sliding wind ow to increase ventilation and more efficient water evaporation to help control mildew issues. Demolition of shower and installation of a "green wall" to repel moisture and ensure proper installation of shower tile.

Bedroom "2" will have removal of paneling and ceiling and installation of new drywall complete with tape/float as well as texture. The conduit to the ceiling fan/light fixture will be elevated approximately 6" and be removed from view by the new ceiling drywall. This room will also be painted the color of your choice.

Bedroom "3" will have paneling removed and new drywall installed complete with tape/float and texture. The ceiling will be inspected for replacement, and the entire room including the ceiling will be painted.

The air conditioning unit will be relocated and its current location will be made into a connecting doorway to the back room of the home, formerly the salon. Adjacent to its current location in the former salon a new station complete with stand and walls will be constructed to house the a/c unit.

The salon, Bedroom "4," will be remodeled with paneling removed and drywall including all tape/float and texture installed. The load supporting 4 x 4 will be replaced with a supporting ceiling beam to open the space into a bedroom. The bath area will be expanded to become adjacent to the new a/c room. A shower will be added, as well as a new toilet and sink to this expanded bathroom area.

The price for the renovations listed above is \$18,450.00. Paid on the following schedule: 1/3 down, 1/3 upon half completion, final 1/3 upon completion.

Items not included in above estimate are:

Interior door(and/or door hardware) and trim replacement,

Baseboard and crown moulding replacement,

Plumbing:

In accordance with the bathroom remodels, bathroom 1 will require relocation of shower, toilet and sink drains-- both above and below the flooring. Bathroom 2 will require relocation of these plumbing drains as well, both above and below the flooring. Price for plumbing is \$3250.00 includes labor and some materials. 1/2 Down with 1/2 upon completion.

With fixtures(shower, toilet, sink etc) and visible hardware (like faucets) to be purchased by homeowner.

Shower Tile Install: Price provided upon review of desired design and style of materials selected by homeowner.

A/C -- Electrical improvements:

To relocate the furnace/ ac unit, run new vent pipes, and rebuild plantar box (above unit) and all necessary electrical work to complete transformation (work performed by licensed A/C professional) - \$2150.00 Total of this phase is due upon completion.

Parties in agreement:
