Austin Energy 2022 Base Rate Review
Before the City of Austin Hearing Examiner

**RE: Austin Energy 2022 Base Rate Review – Invitation to Speak at
September EUC Meeting**

Dear Austin Energy Rate Review Participants and Impartial Hearing Examiner:

The City of Austin Electric Utility Commission intends to discuss the Impartial Hearing Examiner's recommendation in the Austin Energy 2022 Base Rate Review at its September 12, 2022 public meeting. To assist the Commission in its deliberations, the Commission wishes to extend an invitation to the rate review hearing participants to provide brief presentations on their positions in the rate review proceeding to the Commission during the September meeting as outlined below. For clarity, such presentations are solely voluntary and not a requirement of participation in the rate review proceeding.

Participant	Presentation Time
Solar and Storage Coalition	5 minutes
2WR	5 minutes
Paul Robbins	5 minutes
HURF	5 minutes
Data Foundry	5 minutes
NXP	5 minutes
TIEC	5 minutes
Sierra Club/Public Citizen/Solar United Neighbors	5 minutes
Independent Consumer Advocate	10 minutes
Austin Energy	10 minutes

The Impartial Hearing Examiner is also invited to provide a 10 minute presentation on his recommendation if he would like to do so.

The September Electric Utility Commission meeting will be held at the following time and location:

September 12, 2022 at 5:30 pm
Austin Energy Headquarters
Shudde Fath Conference Room
4815 Mueller Blvd
Austin, Texas 78723

The Commission looks forward to hearing from those who decide to make presentations in September.

Sincerely,

/s/ Marty Hopkins
