> Hi Amber,

>

> I've attached another photo (sorry it's a bit blurry); it is from the apartment next to mine (201), where they entered her apartment yesterday while she was out and "finished over" the window. Also attached is a recent photo from apt 204, which is where the window was shattered into the apartment when they were doing the siding several weeks ago. They are probably finishing over that one today. It is despicable that, having left this for weeks, they are now hastening to do this just a day before the hearing.

>

> I will try to put something in writing to send you before the hearing since the time limit to speak is so short.
