

KEEP AUSTIN  
BEAUTIFUL

---

# ***Our Mission***

We inspire and educate all Austinites to volunteer together, beautify green spaces, clean waterways, and reduce waste every day.

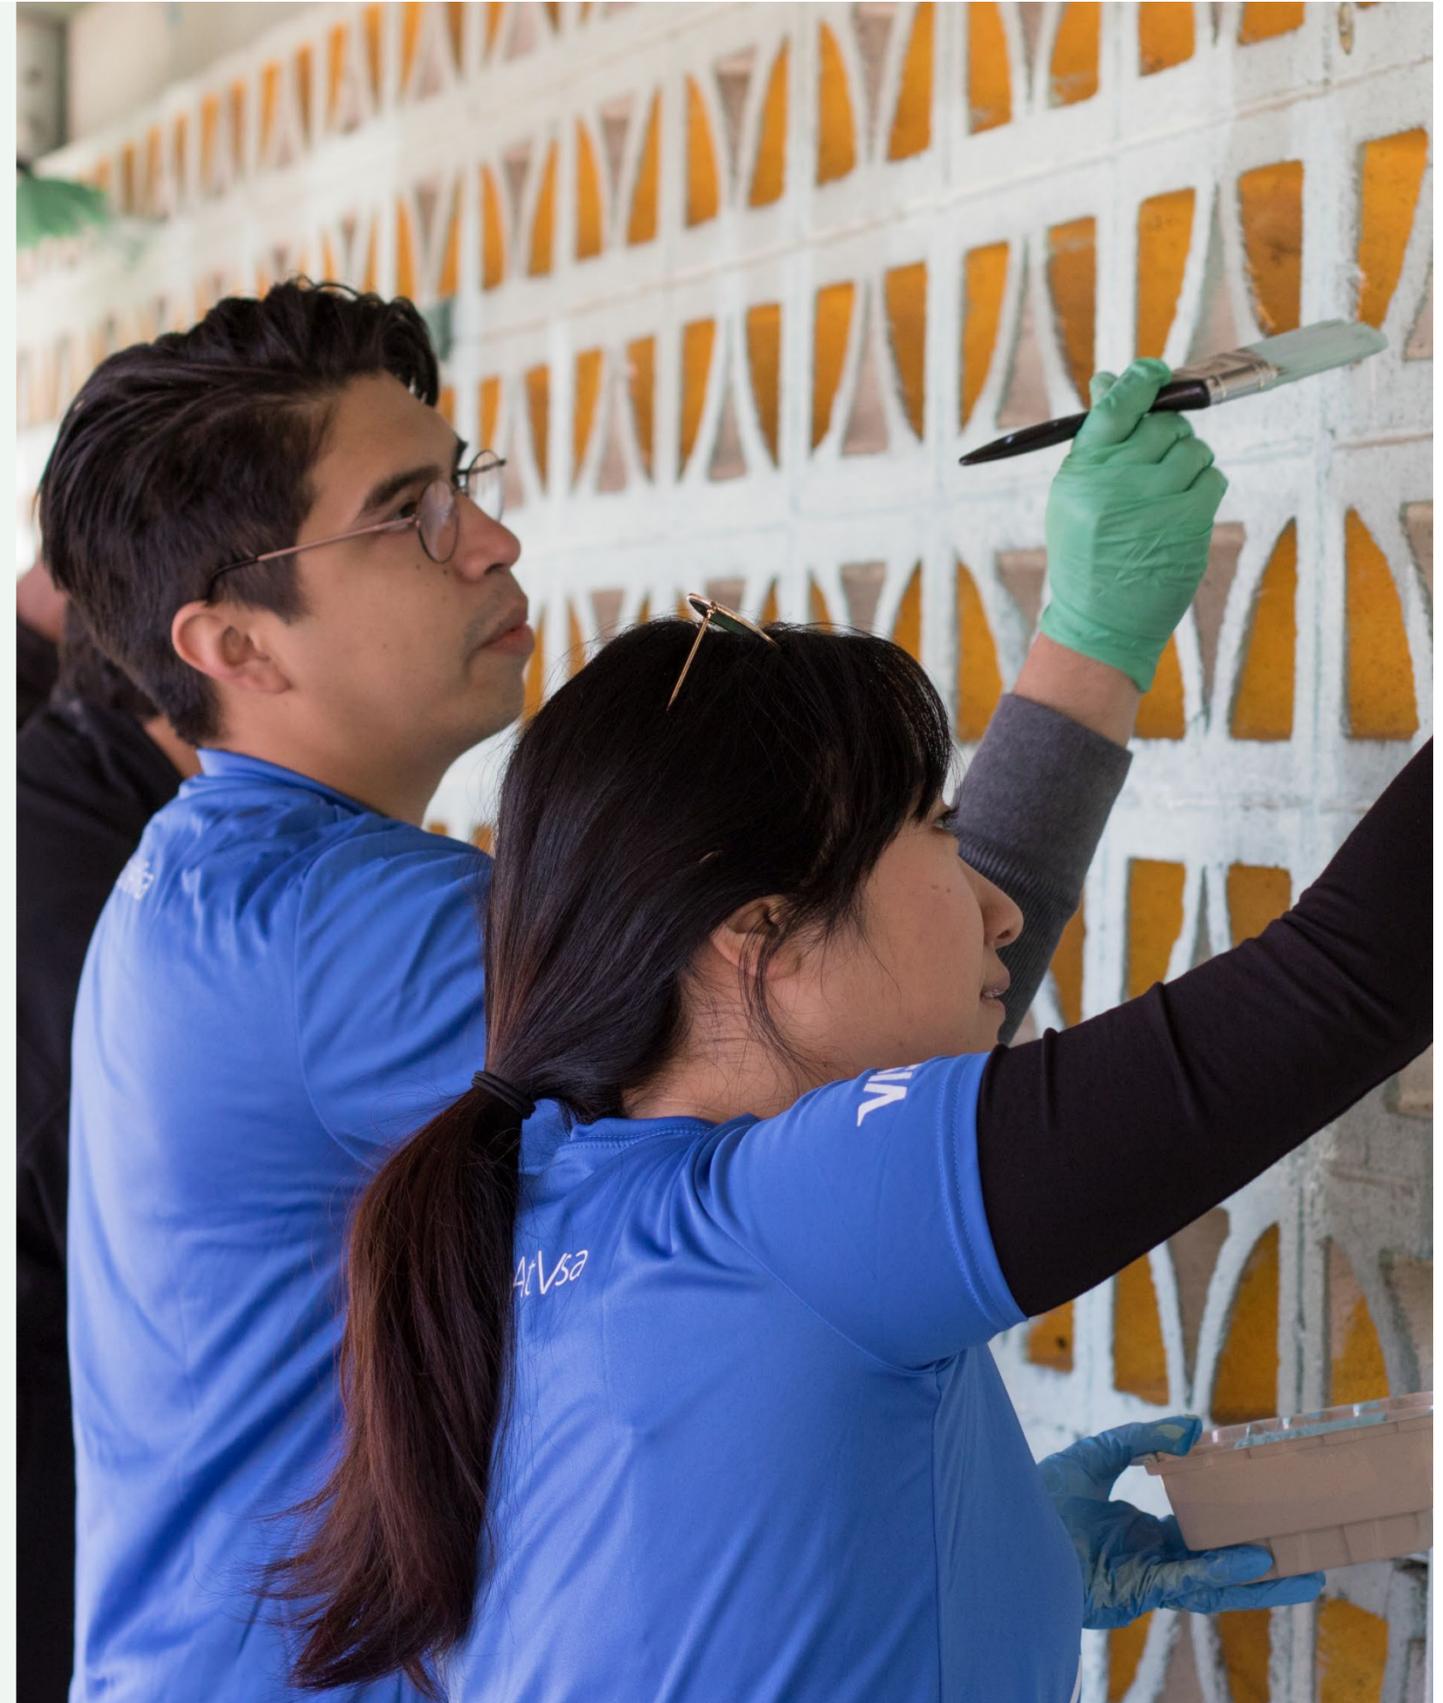

## *Inspire and Educate*

We believe children and teens who experience the outdoors and learn about reducing waste will become stewards of Austin green spaces and waterways.

## *Volunteer Together*

We believe people who volunteer together outdoors are more connected to nature and each other.

## *Beautify & Clean*

We believe all Austinites have a right to clean, safe, and beautiful green spaces.

## *Reduce Waste*

We believe when people learn about the impact of their actions on the environment, they will reduce their waste.

**Not the Austin we know and love.**

A strong contributor to littering is the prevalence of existing litter.

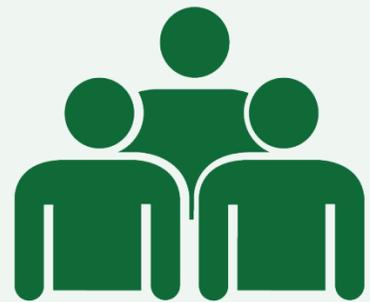

About 15% of littering is affected by the environment, or existing litter.
