SUBDIVISION REVIEW SHEET

<u>CASE NO.</u>: C8-2020-0112.1A <u>COMMISSION DATE</u>: August 16, 2022

SUBDIVISION NAME: Braker Valley Subdivision (a small lot subdivision)

ADDRESS: 4806 Blue Goose Rd

APPLICANT: RR Braker Valley, LP (Jeremy Smitheal)

AGENT: BGE, Inc. (Chris Rawls)

ZONING: I-SF-4A (single family residence, small lot subdivision)

NEIGHBORHOOD PLAN: N/A

AREA: 68.615 acres **LOTS**: 211

COUNTY: Travis **DISTRICT**: 1

WATERSHED: Walnut Creek **JURISDICTION:** Full Purpose

<u>SIDEWALKS</u>: Sidewalks will be constructed along Cameron Rd, Blue Goose Rd, Bridwell Bend, E Braker Ln, Fairmeade Dr, Gannet Hollow Dr, Glacier Valley Dr, Jarvis Path, Monument Valley Dr, Mystic Valley Dr, and Spanish Plains Way.

VARIANCE: A Land Use Commission variance was granted to LDC 25-8-341 to allow cut over 4 feet up to 11.5 feet and 25-8-342 to allow fill over 4 feet up to 17 feet with the following staff conditions:

- In the two locations where the roadways cross the critical water quality zone, culverts will be provided for the entire width of the half-critical water quality zone. This avoids the flow pinch-point of the single, narrow culvert originally proposed.
- All areas of the stormwater pond that are not covered by dam safety regulations will be revegetated with standard specifications manual 609S native seeding and planting for restoration, using a selection of low growing, non-woody vegetation that can be mowed.

DEPARTMENT COMMENTS:

The request is for the approval of Braker Valley Subdivision, a small lot subdivision comprised of 211 lots on 68.615 acres.

The plat does not comply with the criteria for approval in LDC 25-4-84(B) and staff recommends disapproval for the reasons listed in the attached comment report. An application that has been disapproved with reasons may be updated to address those reasons until the application expires. If the applicant submits an update to address the reasons for disapproval, that update will be presented to the Land Use Commission within fifteen days of submittal.

STAFF RECOMMENDATION:

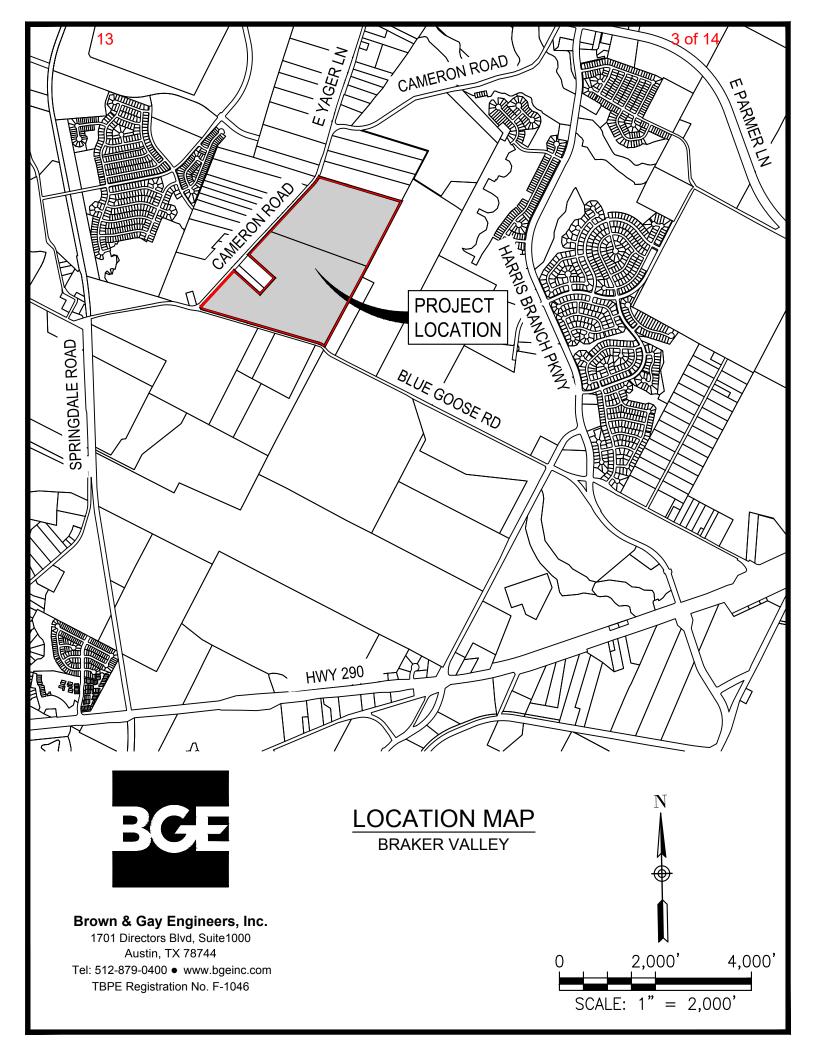

Staff recommends disapproval of the plat for the reasons listed in the comment report dated August 11, 2022, and attached as Exhibit C.
