Texas Gas Service Energy Efficiency Program

Residential Program Highlights

➤ Behavioral Education

- Incorporated efficiency education and tips into the monthly publication of “Pipeline” to increase audience reach.

➤ Water-Saving Kits

- 263 water savings kits have been distributed to qualifying customers through June.

5 Tips to Save Money this Summer

- 1** Run dryers, dishwashers and other large appliances after dark.
- 2** Seal doors & windows to keep cool air in and warm air out.
- 3** Check all vents to ensure they're open and dust-free.
- 4** Switch to a low-flow showerhead to reduce water and energy usage.
- 5** Save energy by upgrading to high-efficiency natural gas appliances.
