for such purposes, pursuant to an economic development program now or hereafter approved; and all matters necessary or incidental thereto; with the bonds and notes to be issued in one or more series or issues, in the aggregate principal amount of \$350,000,000, to mature serially or otherwise and bear interest at a rate or rates not to exceed the respective limits prescribed by law at the time of issuance, and to be sold at the price or prices as the City Council determines and shall there be levied and pledged, assessed, and collected annually ad valorem taxes on all taxable property in the City in an amount sufficient, within the limits prescribed by law, to pay the annual interest on the bonds and notes and to provide a sinking fund to pay the bonds and notes at maturity?

**PART 3.** The Proposition will appear on the official ballot in substantially the following form, and the ballot shall be prepared to permit voting “for” or “against” the Proposition:

CITY OF AUSTIN, TEXAS SPECIAL ELECTION  
CITY OF AUSTIN, TEXAS PROPOSITION A

The issuance of \$350,000,000 in tax-supported general obligation bonds and notes for planning, designing, acquiring, constructing, renovating, improving and equipping affordable housing facilities for low and moderate income persons and families, and acquiring land and interests in land and property necessary to do so, funding loans and grants for affordable housing, and funding affordable housing programs, as may be permitted by law; and the levy of a tax sufficient to pay for the bonds and notes.

**PART 4.** Pursuant to Section 3.009, Texas Election Code: (i) the proposition language that will appear on the ballot is set forth in Part 3 hereof, (ii) the purposes for which the bonds and notes are to be authorized are set forth in Part 2 hereof, (iii) the principal amount of bonds and notes to be authorized is set forth in Part 2 hereof, (iv) if the issuance of bonds and notes is authorized by voters, taxes sufficient, within the limits prescribed by law, to pay the annual principal of and interest on the bonds and notes and to provide a sinking fund to pay the bonds and notes may be imposed, as set forth in Part 2 hereof, (v) bonds and notes authorized pursuant to this ordinance may be issued to mature over not to exceed 40 years from their date of issuance and bearing interest at the rate or rates as authorized by law and determined by the Council, (vi) as of the date of adoption of this ordinance, the aggregate amount of outstanding principal of the City’s debt obligations was \$1,610,625,000 and the aggregate amount of outstanding interest on the City’s debt

obligations was \$489,855,015, and (vii) the City's ad valorem debt service tax rate as of the date of adoption of this ordinance is \$0.0958 per \$100 of taxable property.

Based upon market conditions as of the date of this ordinance and using taxable assessed values for the 2022 tax year (2022/2023 fiscal year), without adjustment for anticipated growth in taxable assessed value in future years, if the bonds and notes are authorized, the estimated total tax rate of the City is expected to be approximately \$0.4759 per \$100 of taxable assessed value, (which represents an increase of \$0.0132 per \$100 taxable assessed valuation as compared to the City's total tax rate as of the date of the adoption of this ordinance), based on current State law, which is subject to change. The estimated total tax rate represents the sum of (i) the most recently adopted tax rate for operations and maintenance, which is \$0.3669 per \$100 of taxable assessed valuation, plus (ii) the estimated tax rate for debt obligations of the City, including the bonds and notes, which is expected to be approximately \$0.1090 per \$100 of taxable assessed valuation.

If approved by voters, any bond and note issued will be secured by an ad valorem tax that is sufficient, within the limits prescribed by law, to pay the principal of and interest on the bonds and notes and to provide a sinking fund to pay the bonds and notes. Actual tax rates, interest rates, maturity dates, aggregate outstanding indebtedness and interest on such debt, will only be established and known at the time that bonds and notes are issued. In addition, actual tax rates will depend upon, among other factors, the assessed valuation of taxable property, prevailing interest rates, the market for the City's bonds and notes and general market conditions at the time that bonds and notes are issued.

The estimated tax rates and other statements contained in this Part 4 are (i) based on certain assumptions (including assumptions concerning prevailing market and economic conditions at the time(s) of issuance of the bonds and notes) and derived from projections obtained from the City's financial advisor, (ii) subject to change to the extent that actual facts, circumstances and conditions prevailing at the time that the bonds and notes are issued differ from such assumptions and projections, (iii) provided solely in satisfaction of the requirements of Section 3.009, Texas Election Code, and for no other purpose, without any assurance that such projections will be realized, and (iv) not intended to give rise to a contract with voters or limit the authority of the Council to issue bonds and notes in accordance with the propositions submitted herein.

If the issuance of bonds and notes is approved by a majority of the voters voting on the proposition to issue bonds and notes for affordable housing (Proposition A), funding of affordable housing projects shall be in accordance with guidelines of the City relating to affordable housing now and hereafter existing, including but not limited to guidelines for

rental housing, home ownership and home repair. The guidelines have been developed by staff after consulting with bond counsel. The guidelines governing affordable housing

projects comprise a program established in part under authority of Chapter 380 of the Texas Local Government Code, relating to the issuance of ad valorem tax supported obligations for this purpose, and Council approves and affirms this program, the guidelines governing the program and their application to the issuance of bonds and notes for affordable housing purposes.
