

ENVIRONMENTAL COMMISSION MOTION 20220907-004

Date: September 7, 2022

Subject: Ordinance regarding amendments to Title 25 related to environmental protection, landscape requirements, and site plan requirements

Motion by: Kevin Ramberg

Seconded by: Ana Aguirre

RATIONALE:

WHEREAS, the Environmental Commission recognizes all the hard work that staff has done on the proposed amendments to Title 25 related to environmental protection, landscape requirements, and site plan requirements, and

WHEREAS, there are many elements in the proposed amendments that the Environmental Commission supports; however, the Commission needs additional time to review in detail the concerns about other elements of the proposed amendments.

THEREFORE, the Environmental Commission recommends postponing consideration of the ordinance regarding amendments to Title 25 related to environmental protection, landscape requirements, and site plan requirements until the next regular Environmental Commission meeting on September 21, 2022.
