Description of Recommendation to Council:

The Task Force recommends amending the ACE Administrative Rules to remove the definition of a Fee Paid Event

~~Fee Paid Event means a right-of-way event that is in a fixed or stationary location and requires the payment of a gate fee to access the public right-of-way~~

Rationale:

References to Fee Paid Events have been removed from Chapter 14-8. This removes language in the rules that appears no where else and can be confusing.
