

Recommendation for Action

File #: 22-2974, Agenda Item #: 17.

9/29/2022

Posting Language

Authorize negotiation and execution of a cooperative contract with Presidio Networked Solutions Inc. d/b/a Presidio Networked Solutions Group LLC to provide web application firewall products and support services, for a term of three years for a total contract amount not to exceed \$400,000.

(Note: This procurement was reviewed for subcontracting opportunities in accordance with City Code Chapter 2-9C Minority Owned and Women Owned Business Enterprise Procurement Program. For the goods and services required for this procurement, there were no subcontracting opportunities; therefore, no subcontracting goals were established).

Lead Department

Financial Services Department.

Client Department(s)

Aviation.

Fiscal Note

Funding in the amount of \$103,500 is available in the Fiscal Year 2022-2023 Operating Budget of Aviation. Funding in the amount of \$206,900 is available in the Capital Budget of Aviation. Funding for the remaining contract term is contingent upon available funding in future budgets.

Purchasing Language:

Multiple cooperative purchase programs were reviewed for these goods and services. The Financial Services Department has determined this contractor best meets the needs of the department to provide the goods and services required at the best value for the City.

For More Information:

Inquiries should be directed to Barbara Pavolini Smith, at 512-978-1786 or Barbara.Smith@austintexas.gov [<mailto:Barbara.Smith@austintexas.gov>](mailto:Barbara.Smith@austintexas.gov).

Council Committee, Boards and Commission Action:

September 13, 2022 - Recommended by the Airport Advisory Commission on an 8-0-1 vote with Commissioner E. Sepulveda abstaining and Commissioners Owens and Madole absent.

Additional Backup Information:

The contract will provide Imperva web application firewall products and support services used to protect the airport parking, ground transportation, and security systems. The appliance protects web applications by filtering, monitoring, and blocking any malicious internet traffic to and from the web application.

The State of Texas Department of Information Resources cooperative establishes competitively bid contracts that can be utilized by the State and other government agencies through a cooperative agreement. Cooperative agreements save taxpayer dollars by leveraging the State's volume-buying power to drive down

costs on hundreds of contracts through a streamlined cooperative purchasing program.

Strategic Outcome(s):

Mobility, Safety.
