Additional Backup Information:

This item proposes the voluntary full-purpose annexation of about 508 acres of City-owned land that was purchased for purposes including conservation and protection of water quality. The area to be annexed is currently in extraterritorial jurisdiction. The current use of the area is unpopulated conservation land and recreation uses.

State law requires a municipality to provide notice and conduct a public hearing to provide persons interested in annexation the opportunity to be heard. The City Council may adopt an ordinance annexing the area for full purposes, including a written plan for the provision of municipal services, at the conclusion of the public hearing.

Staff recommends City Council conduct the public hearing for this annexation case, C7a-2022-0007, and approve an ordinance as required by Texas law for this owner-initiated full-purpose annexation in Travis County.

Strategic Outcome(s):

Government that Works for All.
