The Peaceful Hill Preservation Association supports the zoning change request for 7901 Peaceful Hill from DR to SF-6. Case # C14-2022-0039

We are also supportive of the case going on consent on all three readings at the 10/27 council hearing. We would also like to speak before the council. Would speaking at Citizen Communication be the way to address the council while keeping the case on consent + all three readings.

Thanks
Maggie
