

MOTION SHEET

Amend Part 12, Part 5(F)(4) lines 9 and 10 to read:

4. Daily vehicular trips shall not exceed 400. A trip is defined as the one-way direction of a vehicle to ~~and~~ or from the Property.

Amend Exhibit “E” (*Civic Notes*) Note #5, shall be amended as follows.

Beginning with the second sentence of Note #5, the remainder of Note #5 shall be a new paragraph number 6. The remaining notes shall be renumbered accordingly.

5. While the primary use of the property remains single-family residential, any changes or additions to the residence and existing accessory structures may be processed using the residential permit process including Section 25-5-2 (*Site Plan Exemptions*).

6. Unless authorized by 25-5-2 (*Site Plan Exemptions*), all other development, including but not limited to parking, drives, artwork, maintenance facilities, trails, docks and other shoreline improvements, etc., will require the submittal of an administrative site plan, or a revision and/or correction to an existing site plan as determined by the Director of Development Services Department.
