

ORDINANCE NO. 20220915-066

AN ORDINANCE AMENDING CITY CODE CHAPTER 25-1 RELATING TO PARKLAND DEDICATION AND ASSOCIATED PARKLAND FEES FOR COMMERCIAL USES.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

PART 1. The City Council makes the following findings:

- (A) Core principles of the Imagine Austin Comprehensive Plan envision the City of Austin as a healthy community, one with ample recreational opportunities and open space integrated into a compact and connected city to be enjoyed by its residents, workforce, and visitors.
- (B) In order to maintain existing levels of park service, the City has since 1985 required new residential development to dedicate parkland or pay a fee in lieu of dedication.
- (C) The existing parkland dedication ordinance addresses the costs of acquiring and developing parkland sufficient to serve full-time residents of the city, including employee residents, but does not address the impact of the portion of the workforce that commutes into the city from other jurisdictions.
- (D) According to the latest U.S. Census data, 35.8% of the workforce that hold jobs in the City live outside city limits.
- (E) Park visitor data demonstrates an increased use of parks located near high concentrations of commercial development immediately before and after business hours and during lunch breaks.
- (F) With the adoption of Resolution No. 20220407-042, the City Council initiated amendments to the City's parkland dedication requirements to better achieve the goals of Imagine Austin by capturing the impact of commercial developments on the existing park system.
- (G) In the community surveys conducted by the Parks and Recreation Department, 68% of respondents indicated they access public parks before,

during, or after work more than twice a month and 74% indicated that business operations would improve as a result of additional parkland dedication requirements.

- (H) The City's Commercial Parkland Dedication Nexus Study ("Nexus Study"), issued on August 10th, 2022, found that new office, retail, and industrial developments result in additional park users from the employees who work in those developments.
- (I) Because the existing parkland dedication ordinance does not address the impact of the city's commuting workforce, it is insufficient to maintain the City's existing park levels of service.
- (J) The amendments adopted by this ordinance reflect the findings in the Nexus Study and ensure that new commercial development contributes its fair share toward maintaining the City park system's level of service.

PART 2. City Code Section 25-1-601 (*General Provisions*) is amended to read as follows:

§ 25-1-601 GENERAL PROVISIONS.

- (A) The City of Austin has determined that recreational areas in the form of public parks are necessary for the well-being of residents and employees. The City has further determined that the approval of new residential and commercial development is reasonably related to the need for additional parkland and park amenities to serve new development. This article establishes a fair method for determining parkland dedication, or the payment of a fee in-lieu of dedication, to be required as a condition to the approval of new development in an amount proportionate to the impact of development on existing parks and established levels of service.
- (B) Except as otherwise provided in this section, the parkland dedication requirements of this article apply to:
 - (1) a residential or commercial subdivision within the planning jurisdiction;
 - (2) a site plan within the zoning jurisdiction that includes residential units or ~~[a hotel-motel use]~~ commercial square footage; and

- (3) a [~~residential~~] building permit for residential or commercial development, as provided under Section 25-1-608 (*Dedication of Land or Payment In-Lieu at Building Permit*).
- (C) The following are exempt from the requirements of this article:
- (1) a subdivision or site plan for which parkland was previously dedicated or payment made under this title, except for the dwelling units, [~~or~~] lots, or commercial square footage that exceeds the number for which dedication or payment was made;
 - (2) development within the City's extraterritorial jurisdiction that is within Travis County and governed by Title 30 (*Austin/Travis County Subdivision Regulations*); and
 - (3) affordable dwelling units that are certified under the S.M.A.R.T. Housing Policy approved by the city council.
- (D) The following definitions apply throughout this article:
- (1) ANNUAL OCCUPANCY RATE means the hotel-motel occupancy rate for the City of Austin, as reported annually by the Texas Economic Development & Tourism Office.
 - (2) COMMERCIAL DEVELOPMENT means Hotel-Motel, Industrial, Office, and Retail uses.
 - (3) COMMERCIAL OCCUPANCY RATE means the City of Austin's current commercial occupancy rate as determined annually by the director using the most recent data from the Austin Chamber of Commerce or a comparable source deemed appropriate by the director.
 - (4) COMMUTER POPULATION PERCENTAGE means the percentage of employees who work onsite within the City but live outside of the City.
 - (5[2]) DEFICIENT PARK AREA MAP means a map depicting areas that the director has determined lack sufficient parkland based on locational criteria established by the Parkland Dedication Operating Procedures and the parkland policies of the Imagine Austin Comprehensive Plan.

(6[3]) DIRECTOR means the director of the Parks and Recreation Department.

(7[4]) DISTRICT PARK means a park of 31 to 100 acres with a two-mile service area.

(8) EMPLOYEE means a person who works within the City of Austin's corporate limits.

(9) EMPLOYEE DENSITY means the average amount of floorspace per full-time employee, used to measure the intensity of the proposed commercial development.

(10) FUNCTIONAL POPULATION means the effective population of a commercial development for purposes of calculating the amount of parkland dedication required under this article. This number is calculated using a combination of factors to account for the time a commercial development is occupied and thereby creating an impact on the existing park system.

(11[5]) GREENWAYS means a multi-functional linear park that:

- (a) links two or more separate parks;
- (b) serves as a wildlife corridor;
- (c) provides flood control; or
- (d) contains routes for non-motorized vehicles.

(12) HOTEL-MOTEL means the use as described in Section 25-2-4 (Commercial Uses Described).

(13) INDUSTRIAL means a use described in Section 25-2-5 (Industrial Uses Described).

(14[6]) METRO PARK means a park of 200 or more acres that serves the entire city.

(15[7]) NEIGHBORHOOD PARK means a park of two to thirty acres with a one-mile service area.

- (16) OFFICE means Administrative and Business Offices, Medical Offices, Professional Office, Software Development, and Research Services as those uses are described in Section 25-2-4 (*Commercial Uses Described*).
- (17) OPERATION HOURS means the average number of hours a commercial development is open for employee use.
- (18[8]) PARKLAND DEDICATION URBAN CORE means an area bound by Highway 71/Ben White Boulevard to the south; Highway 183 to the east and north; Loop 1 (MOPAC) on the west to FM 2222; FM 2222 on the north to Loop 360; Loop 360 on the west to Lake Austin; Lake Austin on the west to Loop 1 (MOPAC); and Loop 1 (MOPAC) on the west to Highway 71 (Ben White); [A copy of map can be found in city offices.]
- (19[9]) POCKET PARK means a park of no more than two acres with a one-quarter mile service area.
- (20) RETAIL means a use described in Section 25-2-4 (*Commercial Uses Described*) except for Hotel-Motel and Office uses.
- (E) The commuter population percentage is calculated by subtracting the total workers living and working in the City from the total working in the City and dividing the difference by the total working in the City.

PART 3. City Code Section 25-1-602 (*Dedication of Parkland*) is amended to read as follows:

§ 25-1-602 DEDICATION OF PARKLAND.

- (A) A subdivision or site plan applicant shall provide for the parkland needs of the residents and employees by the dedication of suitable land for park and recreational purposes under this article or by payment of a fee in-lieu of dedication under Section 25-1-605 (*Fee In-Lieu of Parkland Dedication*).
- (B) For a residential subdivision, the area to be dedicated must be shown on the preliminary plan and final plat as "Parkland Dedicated to the City of Austin." The subdivider shall dedicate to the City all parkland required by this article when a plat is approved, except that the director may defer dedication of parkland to site plan approval if development within the subdivision will require a site plan under Chapter 25-5 (*Site Plan*).

- (C) For a site plan, the area to be dedicated must be shown on the site plan as "Parkland Dedicated to the City of Austin" and in a deed to the City. The applicant shall dedicate the parkland required by this article to the City by deed before the site plan is released, except that dedication may be deferred until issuance of a certificate of occupancy if construction of amenities is authorized under Section 25-1-605 (*Fee In-Lieu of Parkland Dedication*) or Section 25-1-606 (*Parkland Development Fee*). In negotiating a deed under this section, the director may require that a reasonable portion of the total impervious cover permitted on the site be allocated to the dedicated parkland to allow for construction of parkland amenities without unduly impacting development of the proposed site plan.
- (D) For a building permit that is subject to Section 25-1-608 (*Dedication of Land or Payment In-Lieu at Building Permit*), the area to be dedicated must be shown in a deed to the City. The applicant shall dedicate to the City all parkland required by this article before a building permit is issued.
- (E) If a subdivision or site plan proposes both residential and commercial uses, parkland dedication will be required for both uses. The amount of parkland required will be calculated based on the number of residential units and amount of commercial square footage being proposed in the development.
- (F) For a development proposing a hotel-motel use, parkland dedication will be required for both the residential and commercial uses.
- (1) The amount of parkland required for the commercial component of a hotel-motel use is based on the total amount of square footage, including the square footage of all guest rooms.
- (2) The amount of parkland required for the residential component of a hotel-motel use is based on the number of guest rooms.
- (G[E]) Except as provided under Subsection (Q[J]) of this section, the amount of parkland required to be dedicated to the City is 9.4 acres for every 1,000 residents or employees. ~~[, as determined by the following formula]~~
- (H) For residential development, the following formula will apply:

$$\frac{9.4 \times (\text{Number Of Units})}{\times (\text{Residents Per Unit})} = \text{Acres of parkland}$$

1000

(I[F]) In calculating the amount of parkland to be dedicated for residential development, including hotel-motel rooms, ~~[under this section]~~, the number of residents in each dwelling unit is based on density as follows:

Density Classification	Residents In Each Dwelling Unit
<i>Low Density</i> : Not more than 6 units per acre	2.8
<i>Medium Density</i> : More than 6 and not more than 12 units per acre	2.2
<i>High Density</i> : More than 12 units per acre	1.7
<i>Hotel-Motel <u>Occupancy</u> Density</i> : Total number of rooms	$1.7 \times \text{Annual Occupancy Rate}$

(J[G]) If the density of a residential development is not known:

- (1) the density is assumed to be the highest permitted in the zoning district, or if the property is not zoned, 24 dwelling units per acre; or
- (2) for a residential subdivision within the extraterritorial jurisdiction, the applicant may reduce the assumed density by agreeing, in a manner that is enforceable by the City and approved by the city attorney, that any subsequent increases in density may require additional dedication of parkland under this section or payment of a fee in-lieu of dedication under Section 25-1-605 (*Fee In-Lieu of Parkland Dedication*).

(K) For commercial development, the following formula will apply:

$$\frac{9.4 \text{ acres} \times \text{Functional Population}}{1,000} = \text{Acres of Parkland}$$

where:

- (1) Functional Population = (Square Feet of Building/Square Feet Per Occupant) x Commercial Occupancy Rate x Operation Hours x Commuter Population Percentage)

- (2) In calculating the amount of parkland to be dedicated for commercial development, the employee density and operation hours are as follows:

<u>Commercial Development Use</u>	<u>Employee Density (per employee)</u>	<u>Operation Hours</u>
<u>Industrial</u>	<u>2,500 square feet</u>	<u>70.8%</u>
<u>Hotel-Motel</u>	<u>1,500 square feet</u>	<u>70.8%</u>
<u>Office</u>	<u>300 square feet</u>	<u>23.8%</u>
<u>Retail</u>	<u>550 square feet</u>	<u>37.5%</u>

- (L) If the amount of square footage for a commercial development is not known at the time parkland dedication is required for development approval, the amount of parkland dedication shall be based on the maximum square footage that could be built under the applicable zoning site development standards. If the square footage built is less than the amount used to calculate parkland dedication requirements, the director shall issue a refund under Subsection 25-1-607(E).

(M[H])The subdivision or site plan applicant shall pay all costs of transferring the parkland to the City, including the costs of:

- (1) an environmental site assessment without any further recommendations for clean-up, certified to the City not earlier than the 120th day before the closing date;
- (2) a Category 1(a) land title survey, certified to the City and the title company not earlier than the 120th day before the closing date;
- (3) a title commitment with copies of all Schedule B and C documents, and an owner's title policy;
- (4) a fee simple deed;
- (5) taxes prorated to the closing date;

- (6) recording fees; and
- (7) charges or fees collected by the title company.

(N[F]) Development within a Planned Unit Development (PUD) zoning district may, if required by the ordinance adopting the PUD, be subject to additional parkland requirements and may be entitled to count dedicated parkland towards meeting open space requirements under Chapter 25-2, Article 2, Division 5 (*Planned Unit Developments*).

(O[F]) The amount of parkland required to be dedicated within the Parkland Dedication Urban Core may not exceed 15% of gross site area for the development required to provide the dedication except upon consent of the applicant or as authorized under this subsection.

- (1) The director may request that the Land Use Commission approve dedication in excess of the 15% cap, up to the amount required under Subsection (G[E]) of this section, if doing so is necessary to:
 - (a) address a critical shortage of parkland for an area identified in the Deficient Parkland Area Map; or
 - (b) provide connectivity with existing or planned parks or recreational amenities.
- (2) Before the Land Use Commission considers a request under this subsection for approval, the director shall present the request to the Parks Board for a recommendation.
- (3) In considering a request from the director under this subsection, the Land Use Commission may:
 - (a) deny the director's request and limit the required dedication to no more than 15% of gross site area; or
 - (b) require additional parkland dedication beyond the 15% cap, up to the lesser of:
 - (i) the amount required under Subsection (G[E]) of this section; or
 - (ii) the minimum amount the Land Use Commission finds to be necessary based on the criteria in Paragraph (1)(a)-(b)

of this subsection and the Parkland Dedication Operating Procedures.

- (4) If an applicant dedicates less than the amount of land required for dedication under Subsection (~~G~~[~~E~~]) due to the cap imposed by this subsection, the director shall require payment of a fee in-lieu of dedication under Section 25-1-605 (*Fee In-Lieu of Parkland Dedication*) for the remaining undedicated land.
- (5) A request by the director under this subsection may be consolidated with an appeal by the applicant under Section 25-1-605(~~G~~[~~F~~]) (*Payment of Fee In-Lieu Dedication*).

PART 4. City Code Section 25-1-605 (*Fee In-Lieu of Parkland Dedication*) is amended to read as follows:

§ 25-1-605 FEE IN-LIEU OF PARKLAND DEDICATION.

- (A) The director may require or allow a subdivision or site plan applicant to deposit with the City a fee in-lieu of parkland dedication under Section 25-1-602 (*Dedication of Parkland*) if:
 - (1) the director determines that payment of a fee in-lieu of dedication is justified under the criteria in Subsection (B) of this section; and
 - (2) the following additional requirements are met:
 - (a) less than six acres is required to be dedicated under Section 25-1-602 (*Dedication of Parkland*); or
 - (b) the land available for dedication does not comply with the standards for dedication under Section 25-1-603 (*Standards for Dedicated Parkland*).
- (B) In determining whether to require dedication of land under Section 25-1-602 (*Dedication of Parkland*) or allow payment of a fee in-lieu of dedication under this section, the director shall consider whether the subdivision or site plan:
 - (1) is located within the Deficient Park Area Map;

- (2) is adjacent to existing parkland;
 - (3) has sufficient acreage to meet the standards for dedicated parkland under the Parkland Dedication Operating Procedures;
 - (4) is needed to address a critical need for parkland or to remedy a deficiency identified by the Deficient Park Area Map; or
 - (5) would provide increased connectivity with existing or planned parks or recreational amenities.
- (C) If an applicant seeks payment of fee in-lieu of parkland dedication, the director shall not accept a preliminary plan or plat application until the applicant shall request payment, and the director shall determine whether payment will be allowed. The director shall, at the request of an applicant, determine whether payment of a fee in-lieu of parkland dedication will be allowed prior to formal submittal of a site plan. The director may establish requirements for obtaining the determination in the Parkland Dedication Operating Procedures and may require an applicant to provide information relevant to the criteria in Subsection (B) of this section. A determination issued under this subsection is valid for a period of one-year from the date of issuance.
- (D) The amount of the fee in-lieu of parkland dedication for residential development is established in the annual fee schedule based on a recommendation by the director in accordance with this subsection.
- (1) Residential Fee In-Lieu of Dedication:

Density Classification	Fee In-Lieu Amount
<i>Low Density:</i> Not more than 6 units per acre	$2.8 \times \text{Land Cost Per Person}$
<i>Medium Density:</i> More than 6 and	$2.2 \times \text{Land Cost Per Person}$

not more than 12 units per acre	
<i>High Density:</i> More than 12 units per acre	$1.7 \times \text{Land Cost Per Person}$
<i>Hotel-Motel Occupancy Density:</i> Total number of rooms	$1.7 \times \text{Land Cost Per Person}$ $\times \text{Annual Occupancy Rate}$

- (2) For purposes of determining the residential fee in-lieu under Subsection (D[€])(1):

Land Cost Per Person =

$$\frac{\text{Parkland Cost Factor}}{\text{Parkland Level-of-Service}}$$

where:

- (a) "Parkland Cost Factor" is determined by the director based on the average purchase price to the City for acquiring an acre of parkland, excluding a metro or district park or golf course; and
- (b) "Parkland Level-of-Service" is:

$$\frac{\text{City Population}}{\text{Net Park Acreage}}$$

where "City Population" is determined by the city demographer and "Net Park Acreage" is the total citywide acreage of neighborhood parks, pocket parks, and greenways, as determined by the director prior to adoption of the annual fee ordinance by the city council.

- (E) The amount of the fee in-lieu of parkland dedication for commercial development is established in the annual fee schedule based on a recommendation by the director in accordance with this subsection.

(1) Commercial Fee In-Lieu of Dedication:

Commercial Fee In – Lieu =

Functional Population X Land Cost Per Person

(2) For purposes of determining the commercial fee in-lieu under Subsection (E)(1):

Land Cost Per Person =

Parkland Cost Factor

Parkland Level-of-Service

where:

(a) "Parkland Cost Factor" is determined by the director based on the average purchase price to the City for acquiring an acre of parkland, excluding a metro or district park or golf course; and

(b) "Parkland Level-of-Service" is:

City Population

Net Park Acreage

where "City Population" is determined by the city demographer and "Net Park Acreage" is the total citywide acreage of neighborhood parks, pocket parks, and greenways, as determined by the director prior to adoption of the annual fee ordinance by the city council.

(F[E]) If the director determines that payment of a fee in-lieu of parkland dedication is authorized under this section for only a portion of the land required to be dedicated under Section 25-1-602 (*Dedication of Parkland*), the director may allow an applicant to pay a fee in-lieu for that portion and require that the remaining land be dedicated. If an applicant dedicates parkland under Section 25-1-602 (*Dedication of Parkland*), the director may not include that acreage in calculating the fee in-lieu required by this section for any remaining land not included in the dedication.

(G[F]) If the director rejects a request to pay a fee in-lieu of dedication under Subsection (B) of this section, the applicant may appeal the director's decision to the Land Use Commission consistent with the procedures in Article 7, Division 1 (*Appeals*) of this chapter. Before the Land Use Commission considers the appeal, the director shall present the case to the Parks Board for a recommendation, but failure by the Parks Board to act shall not prohibit the Land Use Commission from considering the appeal.

PART 5. Subsection (B) of City Code Section 25-1-606 (*Parkland Development Fee*) is amended to read as follows:

(B) The amount of the development fee is established in the annual fee schedule based on a recommendation by the director in accordance with this subsection.

(1) Residential Parkland Development Fee

Density Classification	Development Fee Amount
<i>Low Density:</i> Not more than 6 units per acre	$2.8 \times \text{Park Development Cost Per Person}$
<i>Medium Density:</i> More than 6 and not more than 12 units per acre	$2.2 \times \text{Park Development Cost Per Person}$
<i>High Density:</i> More than 12 units per acre	$1.7 \times \text{Park Development Cost Per Person}$
<i>Hotel-Motel <u>Occupancy</u> Density:</i> Total number of rooms	$1.7 \times \text{Park Development Cost Per Person} \times \text{Annual Occupancy Rate}$

(2) For purposes of determining the residential development fee under Subsection (B)(1):

Park Development Cost =

$$\frac{\text{Park Development Cost Factor}}{\text{Park Facilities Level-of-Service}}$$

where:

- (a) "Park Development Cost Factor" is determined by the director based on the average cost of developing an acre of parkland up to the standards of a neighborhood park; and
- (b) "Park Facilities Level-of-Service" is:

$$\frac{\text{City Population}}{\text{Number of Developed Parks}}$$

where "City Population" is determined by the city demographer and "Number of Developed Parks" is the total number of parks developed with a recreational amenity or trail, as determined by the director prior to adoption of the annual fee ordinance by the city council.

- (3) For purposes of determining the commercial development fee:

Commercial Park Development Fee =

Functional Population x Park Development Cost Per Person

where:

- (a) Park Development Cost Per Person =

$$\frac{\text{Park Development Cost Factor}}{\text{Park Facilities Level-of-Service}}$$

- (b) "Park Development Cost Factor" is determined by the director based on the average cost of developing an acre of parkland up to the standards of a neighborhood park; and

- (c) "Park Facilities Level-of-Service" is:

$$\frac{\text{City Population}}{\text{Number of Developed Parks}}$$

where "City Population" is determined by the city demographer and "Number of Developed Parks" is the total number of parks developed with a recreational amenity or trail, as determined by the director prior to adoption of the annual fee ordinance by the city council.

PART 6. City Code Section 25-1-607 (*Fee Payment and Expenditure*) is amended to read as follows:

§ 25-1-607 FEE PAYMENT AND EXPENDITURE.

- (A) Payment of a fee required under Section 25-1-605 (*Fee In-Lieu of Parkland Dedication*) or Section 25-1-606 (*Parkland Development Fee*) must be paid as required by this subsection.
 - (1) If a fee in-lieu of dedication or a parkland development fee is required as a condition to subdivision approval, the applicant must deposit the fee with the City before final plat approval. The applicant may defer payment of a fee until site plan approval unless development proposed within the subdivision is exempt from the requirement to submit a site plan under Section 25-5-2 (*Site Plan Exemptions*).
 - (2) If a fee in-lieu of dedication or a parkland development fee is required as a condition to site plan approval, the applicant must deposit the fee with the City before the site plan may be approved.
- (B) The director shall place fees paid under Section 25-1-605 (*Fee In-Lieu of Parkland Dedication*) and Section 25-1-606 (*Parkland Development Fee*) into separate funds and use the fees consistently with the requirements of this subsection.
 - (1) Except as provided in Subsection (B)(3), the director shall use fees paid under Section 25-1-605 (*Fee In-Lieu of Parkland Dedication*) solely to acquire parkland or recreational easements that will benefit residents and employees of the development for which the fees are assessed and are located within a service area designated by the director under the Parkland Dedication Operating Procedures.
 - (2) The director shall use fees paid under Section 25-1-606 (*Parkland Development Fees*) solely to acquire and develop recreational amenities that will benefit residents and employees of the development for which the fees are assessed and are located within a service area designated by the director under the Parkland Dedication Operating Procedures.
 - (3) The director may use fees paid under Section 25-1-605 (*Fee In-Lieu of Parkland Dedication*) consistent with the purposes described in Subsection (B)(2) if, within one year from the date the fees are

appropriated for expenditure, the director determines that land which meets the requirements of Section 25-1-603 (*Standards for Dedicated Parkland*) is unavailable for purchase within the service area for which the fees were assessed.

(C) Calculating the Fee Rate for Commercial Development

- (1) For a subdivision application for commercial development filed on or after January 1, 2023, any fees required under Section 25-1-605 (*Fee In- Lieu of Parkland Dedication*) or Section 25-1-606 (*Parkland Development Fee*) shall be calculated using the rate set forth in the fee schedule in effect at the time the subdivision application was filed.
- (2) For a site plan application for commercial development filed on or after January 1, 2023, any fees required under Section 25-1-605 (*Fee In- Lieu of Parkland Dedication*) or Section 25-1-606 (*Parkland Development Fee*) shall be calculated using the rate set forth in the fee schedule in effect at the time the site plane application was filed.

(D[€]) The City shall expend a fee collected under this article within five years from the date the fees are appropriated for expenditure by the director. This period is extended by five years if, at the end of the initial five-year period, less than 50 percent of the residential units or commercial square footage within a subdivision or site plan have been constructed.

(E[Ð]) If the City does not expend a fee payment by the deadline required in Subsection D[€] the subdivision or site plan applicant who paid the fee may request a refund under the requirements of this subsection.

- (1) A refund may only be requested for unbuilt units for which a fee in-lieu of dedication was paid. The refund request must be made in writing and filed with the Parks and Recreation Department not later than 180 days after the expiration of the deadline under Subsection D[€].
- (2) If the refund request is timely filed, the director shall:
 - (a) refund the amount of unspent fees that were collected under this article in connection with approval of a subdivision or site plan; and

- (b) if a site plan for which fees were assessed was subsequently revised to reduce the number of units, recalculate the amount due based on the reduced number of units and refund any fees paid in excess of that amount.
- (F) If the applicant of a commercial development has paid a fee in lieu of dedication and the amount of square footage for the commercial development built is less than the square footage previously assessed, the applicant may request a refund in writing to the director. The director shall recalculate the amount due based on the reduced square footage and refund any fees paid in excess of that amount.

PART 7. Subsection (A) of City Code Chapter 25-1-608 (*Dedication of Land or Payment In-Lieu at Building Permit*) is amended to read as follows:

- (A) Dedication of parkland or payment in lieu of dedication, as determined by the director under this article, is required as a condition to obtaining a building permit for [~~residential~~] development that:
 - (1) at the time of approval, was deemed to be exempt from a requirement to dedicate parkland or pay a fee in-lieu of dedication based on the assumption that development within the subdivision would be limited to non-residential uses; [~~and~~]
 - (2) has not subsequently developed with a use for which parkland was dedicated or a fee in-lieu of dedication was paid; and[-]
 - (3) adds additional square footage to a commercial development that is required to dedicate parkland under this article.

PART 8. This ordinance will not apply to any required building permits necessary to complete a “project” as defined in Section 25-1-531 (*Definitions*) for a subdivision or site plan filed with the City on or before December 31, 2022.

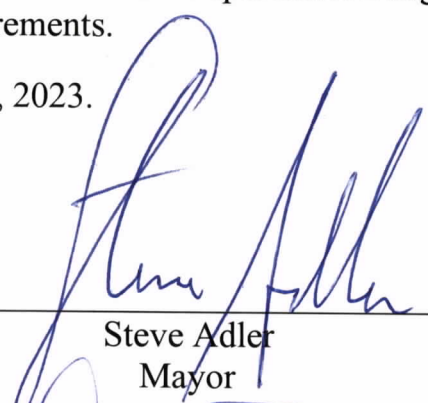

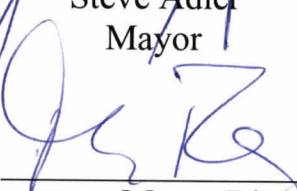

PART 9. The City Manager is directed to conduct a multi-department stakeholder process to explore potential changes to the parkland dedication ordinance, including but not limited to, exploring and making recommendations on new methodologies for calculating parkland dedication fees for both residential and commercial properties, alternative timing for the City to collect any required fee-in-lieu, potential exemptions for commercial development that produce less than one functional population, and revisiting parkland dedication requirements for mixed use developments. At minimum,

stakeholders from the following communities should be included in any input process: parks advocates, housing affordability advocates, and development representatives.

PART 10. The City Manager is further directed to consider potential future locations of bus and transit stops along transit corridors when requiring land dedication for commercial uses and to return to Council by September 29th with any action necessary to add two full time employees and update the Parks and Recreation Department Budget to implement the commercial parkland dedication requirements.

PART 11. This ordinance takes effect on January 1, 2023.
