Texas Gas Service is offering a **free water-saving kit** to eligible* residential customers! Upgrade your fixtures today to start saving water, energy and money in your home. Low-flow shower heads can save a family of 4 up to 2,700 gallons of water per year.

Texas Gas Service Energy Efficiency Program

Residential Program Participation

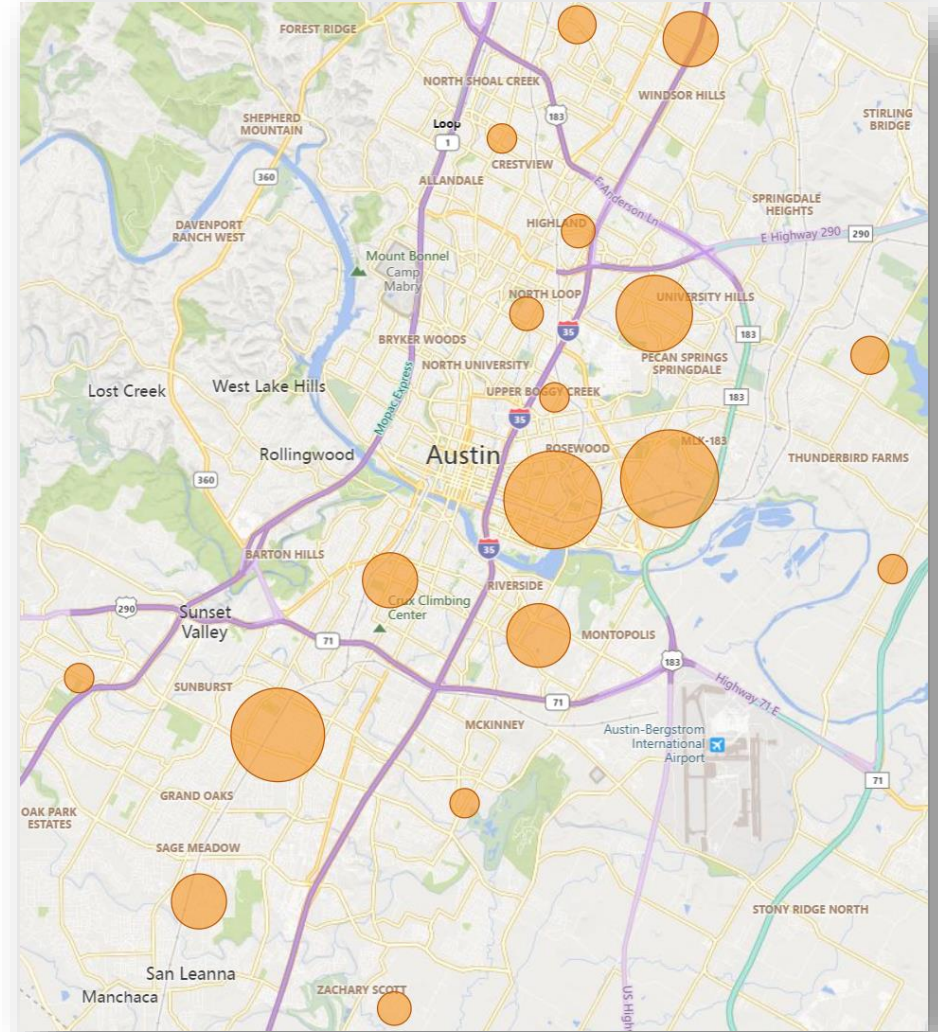

Texas Gas Service Energy Efficiency Program

Low-Income/Free Equipment Program

Due to increased demand to the program the LI/FE Program has suspended accepting applications for appliance replacements until January of 2023.

109 appliances were replaced throughout Central Texas prior to the depletion of program funds.

*The orange circles on the graphic represent the concentrated areas in which appliance were installed throughout Austin.
